

ARRB Notes

Re: Possible Review of following files

1. CIA/Oswald Chpt. 6 (p. 3 of 50)

201 personality file----no indication of docs. prior to the assassination.  
The Security File holds 19 docs. similar but not identical to the 201 file.

2. INS records on Marina Oswald. How extensive. Figure of 196364 records. Is this the number of records or the file number? Not clear. Could ask.

2. U.S. Marine Corps file---personnel and medical files. Also Marine Corps unit diaries. (p. 5 of 50 in Chpt. 6)

3. A section on Mexico

4. The Hoover/Tolson (O & C) file p.20

5. FBI Files on WC Staff/ Other than Redlich they found nothing. No indication that FBI compiled files on WC staffers because they were on the WC staff.

6. Section on FBI and WC critics. (p. 32 of 50). Nothing that looked useful or that I did not have already.

7. General Edwin Walker file---consists of 191 documents assassination-related. Also some Walker files from the JD Criminal Division.

8. Secret Service files. See Eileen Dinneen memoranda if available. (p. 44 of 50o)

9. William Manchester interviews for his book. Are these available at this time? (p. 47 of 50).

10. Chpt. 6 (Part II) Medical evidence. Deposition of five of the Dallas drs. Who teated JFK's wounds. I should review. (p. 3 of 9)

11. Chpt. 7

Gary Aguilar interviews w/ Humes and Boswell. I have these but could review and use for proper citation purposes. (p. 1)

Jerry Ford's desk diaries (p. 2)

Dallas Sixth Floor Museum Records: Medical treatment of JFK, et al. Carrico's Papers. (p. 7)

Ed. Wegmann files files (p. 8)
