FBI rejects SS autopsy pixs and X-rays for CD 1

Rankin requests from FBI a copy of the autopsy—Has to
get it from the SS. FBI never asked for Report.

Plus JD chron of autopsy notes/ destruction of so-called Humes
Rough “first draft.” Notes that both Finck and Boswell made notes.
JD doc. Which places the time of autopsy from 8:00 to 11:00 pm.

Of the autopsy

Burkley File; re: Burkley’s irrelevant statement that Rankin
allowed him to submit at the end of the investigation/ a few docs.

And Burkely’s verification of Boswell’s body chart on JFK’s
frontal wounds. Also two copies of the official autopsy protocol
*** Boswell body Chart of JFK showing back wound in the back
at around the third thoracic vertebrae. Burkley verified this.

Statements by SS agents Kellerman and Clint Hill on what they
recalled about the day.
