SUBJECT: ASSASSINATION OF
 PRESIDENT JOHN F. KENNEDY
 11/22/63
 DALLAS, TEXAS

Reference is made to B. H. Cooke to Mr. Gallagher memorandum of 9/12/75, concerning Dallas, Texas, Police Department motorcycle officers who escorted the Presidential car in Dallas on 11/22/63, not being interviewed by the FBI regarding the assassination. It was recommended that motorcycle officer D. L. Jackson be interviewed in view of his pertinent location in the motorcade, in view of the fact he had never been interviewed, and in view of the fact he had retained notes regarding his observations during the assassination.

By teletype of 9/15/75, (attached) the Dallas Office advised that Jackson was interviewed on that date. He stated he heard three distinct shots which he feels came from the vicinity of the Texas School Book Depository. On the night of 11/22/63, he prepared a detailed written account of the incident for his personal retention and still has it. He advised he was never interviewed by the FBI or the Warren Commission.

ACTION:

Since none of the interviews of motorcycle officers in the motorcade have cast any doubts on the conclusions of the Warren Commission, General Investigative Division is of the opinion that there is no necessity to contact the other motorcycle officers who apparently were never interviewed.
