Sir:

The following is submitted for your information.

SUBJECT was involved in a disturbance on the street in the 500 Block of ELM ST. this date with BILLY HOWLIN LOVELADY. LOVELADY is an employee of the TEXAS SCHOOL BOOK DEPOSITORY. This disturbance resulted from an attempt by SUBJECT to photograph MR. LOVELADY.

SUBJECT stated that he had been hired by one CLAY FELKNER of NEW YORK CITY to photograph MR. LOVELADY. MR. LOVELADY reportedly was standing on the sidewalk in front of the depository at the time of the assassination of PRESIDENT KENNEDY and was photographed at that time. SUBJECT stated that FELKNER that the photo taken at that time actually is a picture of LEE HARVEY OSWALD and not that of BILLY HOWLIN LOVELADY. A new photograph of LOVELADY is needed for comparison. SUBJECT had approached MR. LOVELADY prior to the disturbance and asked permission to take his photograph and MR. LOVELADY refused.

OFFICER'S COMMENTS: MRS. MARGUERITE OSWALD, mother of LEE HARVEY OSWALD has made the same claim as that of MR. FELKNER, i.e. LEE HARVEY OSWALD was standing on the sidewalk in front of the depository and therefore could not have shot the President.

SUBJECT denies knowing MRS. MARGUERITE OSWALD and further that he is not working for her.

SUBJECT: JIM GARRISON, DISTRICT ATTORNEY,
NEW ORLEANS, LOUISIANA.

Sir:

At 6:30 PM, January 16, 1969, Sergeant H. M. Hart received information that the SUBJECT had two investigators in Dallas for the purpose of interviewing Motorcycle Officer J. M. CHANEY about the assassination of President JOHN F. KENNEDY. Further information revealed that the two investigators were staying at the CABANA MOTOR HOTEL, 899 STEMMONS FREEWAY. The names of the investigators were reported to be ALVIN OSER and ALFORD, no further information.

At 9:00 AM this date, Detective M. H. BRUMLEY and Investigator A. J. CARROLL went to the CABANA MOTOR HOTEL to interview the investigators but they were not in their room. A note was left by BRUMLEY asking the investigators to contact this office.

At 1:30 PM this date, Mr. ALFORD contacted BRUMLEY by telephone stating that he and ALVIN OSER were investigators with the NEW ORLEANS DISTRICT ATTORNEY'S staff and were in Dallas to interview Motorcycle officers BILLY JOE MARTIN and BOBBY HARGIS in regard to the assassination. ALFORD stated that he had made several unsuccessful attempts to contact these officers at their homes and at work and felt like they were avoiding him. ALFORD further stated that he wanted to know if these officers would appear in the trial of CLAY SHAW voluntarily at the expense of SUBJECT as he felt that their testimony was necessary to the case.

Pursuant to your instructions, Sergeant W. L. House contacted ALFORD by telephone and advised him that MARTIN and HARGIS would appear for the trial in NEW ORLEANS only if they were directed to by a lawful subpoena issued through the courts requiring their appearance. ALFORD stated that he would rather have them there voluntarily as he could pay more of their expenses that way but if they had to be subpoenaed he would instigate those proceedings. ALFORD then stated that if they had to be subpoenaed it would not be necessary for him to interview these officers at this time.

Sergeant W. L. House also contacted motorcycle officer BOBBY HARGIS by telephone and advised him of these officers efforts in trying to contact him. HARGIS is in Room G-1 at METHODIST HOSPITAL recovering from leg surgery.

PAGE TWO, January 17, 1969, JIM GARRISON, DISTRICT ATTORNEY, NEW ORLEANS, LOUISIANA.

Motorcycle Officer BILLY JOE MARTIN was not available for notification but his supervisor, Sergeant C. F. WILLIAMS was notified of this information and will relay it to MARTIN when he reports for duty at 6:00 PM this date.

The two investigators checked into Room 315 at the CABANA MOTOR HOTEL at 8:41 PM, January 15, 1969 with registration in the name of ALVIN OSER, 6734 GENERAL HAIG STREET, NEW ORLEANS, LOUISIANA. Both of them are staying in one room but only one is registered.

Subject: Interview with the Assistant
District Attorney from the New Orleans
Office of District Attorney Garrison

Sir:

On Wednesday, August 7, 1968 at approximately 11:00 a.m., I received a telephone call at my residence from Bobby Hargis. He informed me that the Assistant District Attorney and another man named Bethel were wanting to interview me concerning events at the time of the President's assassination. I stated that I did not want to talk to these men, that I had nothing to say to them, nor did I feel well enough to talk with anyone. I told him I definitely did not have anything to relate concerning the assassination. At his insistence however, I agreed to let them come to my home.

At 1:00 p.m. they arrived at my residence. They wanted to interview me on events that took place at Dealey Plaza. They questioned me on the directions of the shots - where I thought they originated from. They also asked if I saw Bobby Hargis after the shooting. I replied that I did not know where the shots were coming from, nor had I remembered particularly seeing Hargis after the shots were fired.

These men wanted to make a taped record of my statements. I refused to do this. I informed them that anything I had said was on file with the Warren Commission and that I had absolutely no comments to make to them.

They also asked me if I was surprised when the motorcade turned from Main Street onto Houston Street. My only reply was "No". They said they wanted me to come to New Orleans to testify but I told them I would not come unless a subpoena made it mandatory that I appear.

They further asked if the Police Department here had questioned me about the assassination. To this I replied that anything concerning the Dallas Police Department could be answered by contacting Chief Batchelor.

These men concluded their visit in approximately ten minutes from the time they arrived.

Mr. Jackson was interviewed at approximately 5:00 p.m. on December 4, 1963. Mr. Jackson arrived at the City Hall with Bob Finley. He took no pictures before the shooting; he took 1 picture about the instant of the shooting and 2 pictures later - one showing Oswald being placed in the ambulance. These pictures are not available at this time and are in New York and will probably be available sometime tomorrow.

Robert Jackson stated he had seen Jack Ruby at one occasion at the photo-laboratory, Times Herald, and thinks he would have recognized him if he had seen him in the basement of the City Hall. Mr. Jackson was standing near the automobile that was headed out the Commerce Street exit.

I had a Polaroid Camera with me and was intending to take pictures of President Kennedy and the motorcade. As the motorcade started toward me I took two pictures. As President Kennedy was opposite me, I took a picture of him. As I snapped the picture of President Kennedy, I heard a shot ring out. President Kennedy kind of slumped over. Then I heard another shot ring out and Mrs. Kennedy jumped up in the car and said, "My God, he has been shot." When I heard those shots ring out, I fell to the ground to keep from being hit myself. I heard three or four shots in all. After the pictures I took were developed, the picture of President Kennedy showed him slumped over. When the pictures were developed, they came out real light. These pictures have been turned over to Officers investigating this incident.

My position is to take care of the property located on the West side of Houston Street between Houston Street and the Tripple Underpass. I also take care of the fountain in front of the Union Terminal. This day I was sitting on the front steps of the slopping area and about half way down the steps. There was another man sitting there with me. He was sitting on my left and we were both facing the street with our backs to the railroad yards and the brick building. At the same time the President's car was directly in front of us, I heard a shot and I saw the President fall over in the seat. I do not know who this other man was that was sitting beside me. In our conversation he talked about having a hard time finding a place to park. He also talked about working somewhere over on Industrial Blvd. This man said lay down and we did. I definately heard 3 shots. The shots that I heard definately came from behind and above me. When I laid down on the ground, I laid on my right side and my view was still toward the street where the President's car had passed. I did look around but I did not see anything unusual, either anyone running and I did not see any firearms at all. This shot sounded to me like a high powered rifle.

Mary and I were wanting to take some pictures of the President so we purposely tried to find a place that was open where no people was around and we had been standing half way down toward the underpass on Elm Street on the south side. We were the only people in that area and we were standing right at the curb. The Presidents car came around the corner and it was over on our side of the street. Just as Mary Moorman started to take a picture we were looking at the president and Jackie in the back seat and they looking at a little dog between them. Just as the president looked up toward us two shots rang out and I saw the President grab his chest and fall forward across Jackies lap and she fell across his back and said "My God he has been shot". There was an instant pause between the first two shots and the motorcade seemingly halted for an instant and three or four more shots rang out and the motorcade sped away. I thought I saw some men in plain clothes shooting back but everything was such a blur and Mary was pulling on my leg saying "Get down they are shooting". I looked across the street and up the hill and saw a man running toward the monument and I started running over there. By the time I got up to the rail road tracks some policeman that I suppose were in the motorcade or near by had also arrived and was turning us back and as I came back down the hill Mr. Featherstone of the Times Herald had gotten to Mary and ask her for her picture she had taken of the President, and he brought us to the press room down at the Sheriffs office and ask to stay.

When President Kennedy's car got almost down to the underpass, I heard two shots ring out. They sounded like they came from immediately behind us and over our heads. We did see the shooting. I immediately turned and looked at the Texas Book Depository building and did not see anyone. The shots sounded like they definitely came from in or around the building. I grabbed my wife because I didn't know where the next shot was coming from and dragged her up next to the concrete imbankment and threw her down on the ground and got on the ground with her. Then there was utter confusion. The Police rushed toward the railroad tracks and I finally found an officer to go to the Texas Book Depository Building. The officer I contacted was Officer Wiseman of the Dallas Sheriff's Department.

This interview with Miss Hollies took place February 18, 1964, at 12:15 PM. Miss Mary Hollies lives at 242 West Davis, Dallas, Texas, but has no telephone. She is employed by Scott-Foresman, 4th Floor, Texas School Book Depository.

On November 22, 1963, Miss Hollies was on the fourth floor of the Texas School Book Depository Building, and was standing with Alice Foster looking out a window, watching the presidential parade. At about 12:35 PM, Miss Hollies heard three shots, just as the president's car was headed down toward the triple underpass. She stated the shots sounded as if they were coming from inside the building. Miss Hollies stated that she never left the building. The police came and talked to her shortly afterward. Miss Hollies states she did not know Oswald, but had seen him in the lunchroom of the Texas School Book Depository on numerous occasions. She does not know Jack Ruby.

Who, after being by me duly sworn, on oath deposes and says: I am employed at the Texas School Book Depository at 411 Elm and have been since 1952. I was working on the sixth floor today. There was six of us working on the floor. The others were Bill Lovelady, William Shelby, Danny Arce, Bonnie Williams, and Charles Givens. I worked until 12:00 noon, and went down on the first floor and ate my lunch and went back to work at 12:45 p.m. I had already gone back to work and I gone down on the fifth to get some stock when I heard a shot. It sounded like it was coming from inside the building, but I couldn't tell from where. I went down on the first floor, and asked a man named Eddie Piper if he had heard anything and he said yes, that he had heard three shots. I then went back on the sixth floor. I didn't see anyone on the floor except the people I named. There was another employee that is named Lee Oswald that I saw on the sixth floor. He works all over the building, but I saw him on the sixth floor shortly before noon. I didn't see Oswald in the building after lunch.~~XXXXXXXXXXXXXXXXXXXXXXXXXXXX~~

REPORT ON OFFICER'S DUTIES IN REGARDS TO OFFICER TIPPIT'S MURDER

J. R. LEAVELLE - #36

On my arrival in the 400 Blk. of E. 10th Street I talked with Sgt. Bud Owens and Officer J. M. Poe. At the same time a call came out that a person fitting the description of the suspect was seen entering the Texas Theatre on West Jefferson.

I attempted to reach the Texas Theatre in the 200 Blk. of West Jefferson but was unable to do so because of the traffic. Officer Poe had given me the name of a woman who was an eyewitness to the shooting. Her name was Helen Markham of 328 E. 9th Street, a waitress at the Eat Well Cafe on Main Street. Also that the manager of the used car lot, 501 E. Jefferson, had heard the shooting and seen the suspect running from the scene. Officer Poe also told me someone had picked up two empty .38 hulls from the street and given them to him, but he did not know who it was.

After the arrest of Oswald at the Texas Theatre I was told over the police radio that Squad 91 had the witness to the shooting and was enroute to the city hall. I then returned to the city hall and my office. I assisted other officers in taking affidavits and answering the telephone. I took affidavits from Charles Douglas Givins and Billy Nolan Lovelady.

I was then directed by Captain Fritz to locate the woman witness to Tippit's murder and take her to the showup room to view Lee Oswald in a lineup. I found Helen Markham in the Police Emergency Room with Det. W. C. Graves. She was suffering from shock. As soon as she was able, I took her to the showup room and called Captain Fritz who had Oswald brought down and placed in a lineup. At 4:35 pm, November 22, 1963 Helen Markham identified Oswald as the #2 man in a 4-man lineup as the man who had shot Officer Tippit. Also present was Chief Curry, Captain Fritz and Det. L. C. Graves. There may have been others in the room, I don't recall.

Det. L. C. Graves and I then took Helen Markham to her home in Oak Cliff. We stopped at the used car lot, 501 E. Jefferson, where we talked with the manager, Ted Calloway, who told me he had seen the suspect running from the scene with a gun in his hand and how he was dressed--with dark trousers, shirt light color, jacket and a T shirt; that the shirt and jacket were open and he could see the T shirt. A colored porter, Sam Guinyard, of Waxahachie, Texas said he also saw the suspect and could identify him. I also talked with another employee of the lot, Domingo Benavides, 509 E. Jefferson, who said he went to the scene of the shooting and picked up two empty hulls and gave them to Officer Poe.

We then returned to our office where Captain Fritz told me to call the above people to come down for a lineup. I called Mr. Calloway who came down and brought Sam Guinyard with him. We went directly to the showup room. While waiting for the showup I took an affidavit from both of the above men. At 6:30 pm Oswald was brought down, where he was identified by both Calloway and Guinyard as the same man they had seen running from the scene of Officer Tippit's killing with a gun in his hand. He was identified as #2 man in a 4-man lineup.

Mr. Calloway and Guinyard were then taken up to the crime lab on the 4th floor where Captain Doughty showed us a jacket that was found along the route taken by the suspect from the scene of the Tippit shooting. They identified it as the same one or one just like the one worn by the suspect.

I returned to the Homicide Office where I worked until 1:30 am Saturday morning. I went home and returned at 8:00 am Saturday, November 23, 1963. During the day I did general office work and took two more affidavits: one from R. E. Truly, supervisor at the Texas School Book Depository, 411 Elm Street and another employee of this business, Mrs. R. A. Reid. I also took an affidavit from W. W. Scoggins, a cab driver who was near the scene of the Tippit shooting and

witnessed same. At 2:15 pm another showup was held where Scoggins identified Oswald as the man he saw shoot Officer Tippit.

Also at this same showup was William Wayne Whaley, another cab driver, who drove Oswald from the Greyhound Bus depot to the 500 Elk. of North Beckley. He also identified Oswald as the #3 man in a 4-man lineup. Others in the lineup were: #1 John Thurman Horn, #2 David Knapp, #3 Oswald, #4 Daniel Lujan.

I worked until 9:00 pm this date and was told to return about 8:30 am the next day, Sunday November 24, 1963 by Captain Fritz. He said we would transfer Oswald about 10:00 am.

Who, after being by me duly sworn, on oath deposes and says: Friday November 22, 1963 I was riding motorcycle escort for the President of the United States. At approximately 12:30 pm I was on Houston Street and the President's car had made a left turn from Houston onto Elm Street. Just as I approached Elm and Houston I heard three shots. I realized these shots were rifle shots and I began to try to figure out where they came from. I decided the shots had come from the building on the northwest corner of Elm and Houston. This building is used by the Board of Education for book storage. I jumped off my motor and ran inside the building. As I entered the door I saw several people standing around. I asked these people where the stairs were. A man stepped forward and stated he was the building manager and that he would show me where the stairs were. I followed the man to the rear of the building and he said, "Let's take the elevator." The elevator was hung several floors up so we used the stairs instead. As we reached the third or fourth floor I saw a man walking away from the stairway. I called to the man and he turned around and came back toward me. The manager said, "I know that man, he works here." I then turned the man loose and went up to the top floor. The man I saw was a white man approximately 30 years old, 5'9", 165 pounds, dark hair and wearing a light brown jacket.

I was standing on top of the triple underpass and the President's Car was coming down Elm Street and when they got just about to the Arcade I heard what I thought for the moment was a fire cracker and he slumped over and I looked over toward the arcade and trees and saw a puff of smoke come from the trees and I heard three more shots after the first shot but that was the only puff of smoke I saw. I immediately ran around to where I could see behind the arcade and did not see anyone running from there. But the puff of smoke I saw definitely came from behind the arcade through the trees. After the first shot the President slumped over and Mrs. Kennedy jumped up and tried to get over in the back seat to him and then the second shot rang out. After the first shot the secret service man raised up in the seat with a machine gun and then dropped back down in the seat. And they immediately sped off. Everything is spinning in my head and if I remember anything else later I will come back and tell Bill.

We had knocked off for lunch and I had dinner at the cafeteria at Record and Main Street and had come back to see the President of the United States. I was sitting on a ledge or wall near the intersection of Houston Street and Elm Street near the red light pole. I was facing in a northerly direction looking not only at Elm street but I could see the large red brick building across the street from where I was sitting. I take this building across the street to be about 7 stories anyway in the east end of the building and the second row of windows from the top I saw a man in this window. I had seen him before the President's car arrived. He was just sitting up there looking down apparantly waiting for the same thing I was to see the President. I did not notice anything unusual about this man. He was a white man in his early 30's, slender, nice looking, slender and would weigh about 165 to 175 pounds. He had on light colored clothing but definately not a suit. I proceeded to watch the President's car as it turned left at the corner where I was and about 50 yards from the intersection of Elm and Houston and to a point I would say the President's back was in line with the last window I have previously described I heard what I thought was a back fire. It run in my mind that it might be someone throwing firecrackers out the window of the red brick building and I looked up at the building. I then saw this man I have described in the window and he was taking aim with a high powered rifle. I could see all of the barrel of the gun. I do not know if it had a scope on it or not. I was looking at the man in this window at the time of the last explosion. Then this man let the gun down to his side and stepped down out of sight. He did not seem to be in any hurry. I could see this man from about his belt up. There was nothing unusual about him at all in appearence. I believe that I could identify this man if I ever saw him again.

STATEMENT OF MR. O. V. CAMPBELL

I talked with Mr. Campbell this date, February 17, 1964, at 6:00 pm. The following is a statement he gave me.

My name is O. V. Campbell, 7120 Twin Tree Lane, TAl, 5527. I am the Vice-president of the Texas School Book Depository, 411 Elm Street.

On November 22 1963, I arrived at work between 8:30 and 9:00 am. My office is on the second floor, Room 200. I did my usual work until noon. I had forgotten about the parade. I started to lunch with Mr. Truly. When we got downstairs Mr. Truly asked if I wanted to wait and see the parade. We waited on the front steps until the parade turned off Main Street on to Houston Street. We then walked across Elm Street and stood on the curb near the parade as it turned from Houston Street down under the underpass. I heard the shots, it sounded like they came from the knoll near the railroad tracks. I thought it was fire crackers. A uniform officer came up and at the same time a construction worker with a helmet on came across the street and said he had seen a rifle barrel in the sixth floor window. I walked back in the building. Mr. Truly and the officer had already gone in and up the stairs. I waited until they came back down to see if they found anything. The employees were standing around. When Mr. Truly came down he said one of the employees was missing, a man named Oswald. I did not know Oswald. I told Mr. Truly to tell the officers about him and what he looked like.

I went back to my office and an FBI agent came in and introduced himself. I don't remember his name. He asked that I have all the employees vacate the building. This I did, telling them to take the rest of the day off.

Mr. O. V. Campbell

I remained in the office until about 2:30 or 3:00 pm. Then I left.

I am married and have three children. I was standing with my wife and three year old boy, we were directly in front of the Stemmons Freeway sign, as the motorcade rounded the corner from Houston onto Elm.

When I saw the motorcade round the corner, the President was standing and waving to the crowd. And just as he got just about in front of me, he turned and waved at the crowd on this side of the street, the right side; at this point I heard what sounded like one shot, and I saw him, "The President," sit back in his seat and lean his head to his left side. At this point, I saw Mrs. Kennedy stand up and pull his head over in her lap, and then lay down over him as if to shield him.

And the two men in the front seat, I don't know who they were, looked back, and just about the time they looked back, the second shot was fired.

At this point, I looked behind me, to see whether it was a fireworks display or something. And then I saw a lot of people running for cover, behind the embankment there back up on the grass.

And at this point, I turned back around and saw the motorcade beginning to speed up, and everybody was laying down but the driver, of course. I didn't notice where it went.

My wife and I began seeking cover, and we went to our car, and then we told the policeman about what we knew.

I was with my husband and three year old child, we were standing at the corner where the sign says "Stemmons Freeway" to the right.

As the President was coming through, I heard this first shot, and the President fell to his left. The President's wife immediately stood over him, and she pulled him up, and lay him down in the seat, and she stood up over him in the car. The President was standing and waving and smiling at the people when the shot happened.

And then there was a second shot that I heard, after the President's wife had pulled him down in the seat. It came from what I thought was behind us and I looked but I couldn't see anything.

The two men in the front of the car stood up, and then when the second shot was fired, they all fell down and the car took off just like that. After the motorcade went by, after that, I jumped up and headed for my car, we were parked up on the freeway. A police patrolman came up where we were, and we told him what we saw.

I was working in that capacity yesterday Friday November 22, 1963. I have 19 employees in the plant. Lee Harvey Oswald was one of these employees. We considered him a temporary employee. We work a lot of extra employees during the summer and fall. Mr. O. M. Campbell, one of the owners, and I started to lunch a few minutes after twelve o'clock. We saw that the parade was nearly down to us, so we stopped and watched the President go by. After the President passed, we heard what sounded like an explosion. I heard three such explosions. Then I realized that they must have been shots. I saw an officer break through the crowd and go into our building. I realized he did not know anything about the building, so I ran in with him. The officer and I went through the shipping department to the freight elevator. We then started up the stairway. We hit the second floor landing, the officer stuck his head into the lunch room area where there are coke and candy machines. Lee Oswald was in there. The officer had his gun on Oswald and asked me if he was an employee. I answered yes. We then went up the stairs to the 5th floor where we found the elevator open. We took the elevator to the 7th floor and out on the roof. We searched the roof and a small room, also checked the landings. We could look out over the tracks and street below. We did not find anything. We started down on the elevator. The officer took a hurried look on a couple floors on the way down. We then met some other officers on the 4th floor searching the building. I overheard someone say that the shot came from the window of our building. By that time there was several people in the building. Some fifteen minutes later I was checking our employees, and I did not find Lee. I asked Mr. Shelley if he had seen Lee. He said no. I then contacted Chief Lumpkin and he told him Lee was missing. Then both of us went up on the sixth floor where Captain Fritz was and I told Captain Fritz about Lee being missing and where he lived. I did not see Lee Oswald any more. We don't run a thorough check on our temporary employees. They fill out an application form. In Lee Oswald's case, a lady from Irving called and said a neighbor had a brother working for me, and he had said we could use some more help. This woman said she knew a nice young boy

(5) ADDITIONAL DETAILS, PROGRESS OF INVESTIGATION, ETC.			

We received information from Mrs. Bill Randle, 2139 W. 5th, Irving, Texas, RL3 8965 that her brother, Duell Wesley Frazier, w/m/19, same address, took Lee Oswald to work on the morning of the murder and that she saw Oswald put a long package in the back seat of her brother's 1951 black chevrolet, 4 door, 1963, Texas license VK 3926. (See her affidavit.) She said her brother wasn't home but visiting their step-father, Dave Williams, at Parkland Hospital. We checked with Parkland Hospital, but they didn't have a Dave Williams there. We finally located Dave Williams at the Irving Professional Center, Room #30. Det. Rose contacted Det. John A. McCabe of the Irving, P. D. and asked him to check there for Frazier. Det. McCabe called us back stating he had the boy at the Irving P. D. We went there immediately and got Frazier and accompanied by McCabe went to the Irving Professional Center and searched Frazier's 1951 black Chev., Texas license VK 3926. We found nothing of importance. We then went to 2139 W. 5th with Frazier and he showed us where he kept his .303 cal. rifle and box of ammunition (see property room invoice). Frazier's sister, Mrs. Randle, came to the location and we brought Frazier and Mrs. Randle to the homicide office. Affidavit was taken from Mrs. Randle. Frazier was interrogated and run on the polygraph with negative results. Affidavit was then taken from Frazier. Frazier and his sister were then returned to Irving on 11-22-63.

On November 25, 1963 we took a picture of Harvey Lee Oswald, Sp# 54018 & showed it to witness Ronald Fisher w/pt, 4007 Flamingo Way, Mesquite, Tex 75209. His business address is County Auditor's office. An affidavit was taken from him at the Sheriff's office. He states the photo of Oswald looks like the man he saw at the window when the shots were fired from. He states he saw the man in the window a minute or less before the motor case would. He could not say definitely this was the man but said that it looked like the man.

About a month ago I met Lee
Harney Oswald at work & saw that
he was a new man & I walked up
to him and ask him if he was Lee -
I figured he must be Lee as my
sister had told me about him -
I ask him if he would like to ride
back & forth with me and he said
he would, but only on week ends
as he had an apartment of his own
in Oak Cliff after that every Friday Lee
would ride home with me and then ride
back to work with me on Monday morning,
he has only rode home from work with
me on Fridays but yesterday morning
Lee told me that he wanted to ride
home with me, I was surprised and
I ask him if he was going home with him
Friday also and he said no - he told
me that he was going home to get some
certain rods - Thursday afternoon Lee rode
to Irving with me to Ruth Paine house

where his wife is staying, I let him ⁽²⁾ out
of my car in front of Ruth's house. Then
I went on. ~~Home~~. This morning, Friday

G. F. ROSE - R. S. STOVALL - J. P. ADAMCIK
REPORT ON INVESTIGATION OF THE PRESIDENT'S MURDER

On November 27, 1963, the date of the assassination of the President, Detectives G. F. Rose and R. S. Stovall arrived at the Homicide Office at approximately 2:00 PM. This was as soon after the killing as we could get to the office. We were in the office about 10 or 15 minutes when at approximately 2:15 PM, Lee Harvey Oswald was brought into the Homicide Office. We (Rose and Stovall) talked to him briefly, obtaining his ID and name, and at about 2:30 PM, Capt. Fritz, R. M. Sims, and E. L. Boyd came into the office. Capt. Fritz instructed Detectives Rose and Stovall to get one additional man and to go Irving, Texas, meet the County Officers and make a search of the house at 2515 West 5th, Irving. This was the house where Lee Oswald's wife lived with Ruth Paine, and Oswald stayed there on week ends. We took Detective J. P. Adamcik and immediately drove to 2515 West 5th, Irving and parked about one-half block from the Paine home to await the arrival of the County Officers, after approximately a 40-minute wait, Detectives Harry H. Weatherford, E. W. (Buddy) Walthers, and J. L. Oxford of the Dallas County CID arrived. We instructed them of our mission and drove to the front of the Paine home. Detectives Adamcik and two of the County Officers went to the back door, and one county officer and Stovall and Rose went to the front door - time approximately 3:30 PM. Upon stepping onto the front porch, we could hear the TV and see two people sitting in the living room. Ruth Paine answered our knock on the door. She was very cordial, and her first statement after we presented our ID, was "Come on in, we were expecting you. Just as soon as we heard where it happened, we figured someone would be out." She invited us

to make a search of her home at which time we began a methodical search of the house, for a list of items we took from this house see the attached Property List. At approximately 3:15 PM Michael Ralph Paine walked up the walkway and entered the house without knocking. He told Ruth Paine, "I heard where the President was shot, and I came right on over to see if I could be of any help to you." He also told her that he had just walked off the job. At the suggestion of Marina Oswald, wife of Lee Harvey Oswald, we also made a search of the garage, which is attached to the Paine home. Mrs. Oswald was asked about her husband's rifle, and she stated that he had one, and that he kept it in the garage wrapped in a blanket. She was speaking in Russian, and Ruth Paine was interpreting for us. She pointed to a rolled-up blanket laying on the garage floor, and said, "That is where he keeps his rifle". (in Russian, interpreted by Ruth Paine) Also see attached Property List. After some confusion as to what to do with the children, Ruth Paine agreed to accompany Marina Oswald to the City Hall, and we began loading the property that we were confiscating for evidence into our car and into the car of the Dallas County Sheriff's office. About this time Mrs. Bill Randall, who lives at 2139 West 5th, Irving, approached Det. Adancik and told him that her brother Wesley Frazier took Oswald to work this morning, November 22, 1963, and that she saw Oswald carry something over to her brother's car and put it in the back seat. It was long and wrapped in paper or a box. She was suspicious. She said that her brother was visiting her father at Parkland Hospital, and we could reach him there.

We placed Michael Ralph Paine in the County Car, and Ruth Paine and Mariane Oswald and her two small children into our car. We drove immediately to the City Hall and parked our car in the basement of the City Hall. We brought Michael Paine, Ruth Paine, Mariane Oswald, and her two small children to the third floor, Homicide and Robbery Bureau Office, and then after a few minutes moved them to the Forgery Bureau Office, due to the crowded condition of the Homicide Office, time approximately 6:00 PM. After getting the Paines and Mrs. Oswald settled and while waiting for an interpreter, we started trying to locate Wesley Frazier. We contacted Parkland and found that Wesley Frazier was not at Parkland Hospital. We made a check of the Irving Clinics and found out via phone that Wesley was at the Irving Professional Center visiting his father. Det. Rose called the Irving Police Department and talked to Det. Mc Cabe, who stated that he would immediately go to the Irving Professional Center and take Wesley Frazier into custody and instructed us to call him back in 15 minutes to verify the arrest. We called Det. J. A. Mc Cabe back at about 6:45 PM, and he informed us that he had effected the arrest of Wesley Frazier, and we could pick Frazier up at the Irving Police Department. We (Dets. Rose and Stovall) drove immediately to Irving, arriving there at approximately 7:00 PM. We talked to Det. Mc Cabe, and he agreed to accompany us along with Wesley Frazier to the Irving Professional Center to make a search of Wesley Frazier's car, a 1954 black Chevrolet, 4 dr., License VK 3926. We made a thorough search of Frazier's car with negative results, then proceeded to Frazier's home, 2439 West 5th, Irving (1/2 block from the Paine home) and made a search of the Pandle home (also Frazier home) and confiscated a .303 calibre rifle, full clip, and partial box .303 calibre ammunition belonging to Wesley Frazier (placed in Property Room). After a while Wesley Frazier's

sister, Linnie Bandle, came in and she, Linnie Bandle, Wesley Frazier, and a Rev. Campbell, of the Irving Baptist Church, were brought to the City Hall, Homicide and Robbery Office, where affidavits were taken from Wesley Frazier and Linnie Bandle - time approximately 9:00 PM. After finishing the affidavit, we (Dets. Rose and Stovall) started back to Irving, Texas, with the above witnesses. About midway we received a radio call to return to the office with the witnesses. We turned around at Irving Boulevard and Stearns Expressway and drove back to City Hall, and Det. Rose called Capt. Fritz by telephone and Capt. Fritz asked that we run Wesley Frazier on the Polygraph machine. We took Frazier to the ID Bureau, and Capt. Dowdy called Det. P. D. Lewis at home. P. D. Lewis arrived on the fourth floor about 11:20 PM and conducted the Polygraph examination until approximately 12:10 AM, 11-23-63. This examination was witnessed by Dets. Stovall and Rose. The examination showed conclusively that Wesley Frazier was truthful, and that the facts stated by Frazier in his affidavit were true (See his Affidavit). We took Frazier, his sister, and their minister home and got off duty at 2:00 AM.

We called Det. J. A. Mc Cabe back at about 6:45 PM, and he informed us that he had effected the arrest of Wesley Frazier, and we could pick Frazier up at the Irving Police Department. We (Dets. Rose and Stovall) drove immediately to Irving, arriving there at approximately 7:00 PM. We talked to Det. Mc Cabe, and he agreed to accompany us along with Wesley Frazier to the Irving Professional Center to make a search of Wesley Frazier's car, a 1954 black Chevrolet, 4 dr., License VK 3926. We made a thorough search of Frazier's car with negative results, then proceeded to Frazier's home, 2439 West 5th, Irving (1/2 block from the Paine home) and made a search of the Randle home (also Frazier home) and confiscated a 303 calibre rifle, full clip, and partial box 303 calibre ammunition belonging to Wesley Frazier (placed in Property Room). After a while Wesley Frazier's

sister, Linnie Randle, came in and she, Linnie Randle, Wesley Frazier, and a Rev. Campble, of the Irving Baptist Church, were brought to the City Hall, Homicide and Robbery Office, where affidavits were taken from Wesley Frazier and Linnie Randle - time approximately 9:00 PM. After finishing the affidavit, we (Dets. Rose and Stovall) started back to Irving, Texas, with the above witnesses. About midway we received a radio call to return to the office with the witnesses. We turned around at Irving Boulevard and Stemmons Expressway and drove back to City Hall, and Det. Rose called Capt. Fritz by telephone and Capt. Fritz asked that we run Wesley Frazier on the Polygraph machine. We took Frazier to the ID Bureau, and Capt. Dowdy called Det. R. D. Lewis at home. R. D. Lewis arrived on the fourth floor about 11:20 PM and conducted the Polygraph examination until approximately 12:10 AM, 11-23-63. This examination was witnessed by Dets. Stovall and Rose. The examination showed conclusively that Wesley Frazier was truthful, and that the facts stated by Frazier in his affidavit were true (See his Affidavit). We took Frazier, his sister, and their minister home and got off duty at 2:00 AM.

Subject: Threatening Call
Regarding Oswald

Sir:

At about 3:45 A.M. November 24, 1963 Mr. Newsome of the Federal Bureau of Investigation called this office and stated his office had received an anonymous call from a male individual indicating that a group was going to kill Oswald that day, that night or the following day. Caller stated that he did not want any officer hurt, that was the reason for the call, but they were going to kill Oswald and there was nothing anyone could do about it.

Subsequently about 5:00 A.M. or 5:30 A.M. I called Captain Fritz at home and related substance of the threatening call. Captain Fritz told me Chief Curry was handling the transfer of Oswald and suggested I call him.

Between 5:30 A.M. and 5:45 A.M. Deputy Cox or Coy, exact name unknown, of the Dallas Sheriff's Office called this office and stated that Sheriff Decker had instructed him to call the Dallas Police Department and request that Chief Curry call him about the transfer of Oswald. The Deputy Sheriff indicated Sheriff Decker wanted Oswald moved as soon as possible.

As I recall I had a second conversation with Captain Fritz regarding Decker wanting to move Oswald as soon as possible. Fritz stated that I should call Chief Curry.

About 6:00 A.M. I attempted to call Chief Curry at home. The telephone was busy, and after about fifteen minutes, I asked the operator to check the line for conversation. She reported trouble on the line.

By this time it was approximately 6:15 A.M., and Captain C.E. Talbert relieved me. I told Talbert of the threat, of the Deputy Sheriff's call, and my attempt to contact Chief Curry. Captain Talbert said he would send a squad by the residence of Chief Curry and have him call the office.

Today, November 22nd, 1963, I was with Ronald Fischer, and we were on the corner at Elm and Houston, and I happened to look up there at the building, the Texas School Book Depository Building, and I saw a man at the window on the fifth floor, the window was wide open all the way; there was a stack of boxes around him, I could see. Bob remarked that he must be hiding from somebody. I noticed that he had on a sport shirt, it was light colored, it was yellow or white, something to that effect, and his hair was rather short; I thought he might be something around twenty-six, as near as I could tell.

The motorcade rounded the corner about this time, and then I thought I heard four shots, but it never occurred to us what it was. The shots seemed to come from that building there.

I got out of school this morning to see the President of the United States when he came to Dallas. I was standing on the corner of Elm and Houston street. From where I was standing I could look across the street and see a large red brick building. I saw the President turn the corner in front of me and I waived at him and he waived back. I watched the car on down the street and about the time the car got near the black and white sign I heard a shot. I started looking around and then I looked up in the red brick building. I saw a man in a window with a gun and I saw him shoot twice. He then stepped back behind some boxes. I could tell the gun was a rifle and it sounded like an automatic rifle the way he was shooting. I just saw a little bit of the barrel, and some of the trigger housing. This was a white man, he did not have on a hat. I just saw this man for a few seconds. As far as I know, I had never seen this man before.

Today, November 22nd, 1963, I was with Robert E. (Bob) Edwards, we were standing on the corner of Elm and Houston, on the southwest corner; about thirty seconds before the motorcade came by, Bob turned to me and said that there was a man on the fifth floor of the Texas School Book Depository Building, at the window there, and I looked up and saw the man. I looked up at the window and I noticed that he seemed to be laying down there or in a funny position anyway, because all I could see was his head. I noticed that he was light-headed and that he had on an open-neck shirt, and that was before the motorcade rounded the corner. I noticed his complexion seemed to be clear, and that he was in his twenty's, appeared to be in his twenty's.

I turned away and by that time the motorcade rounded the corner. And then I heard what I thought was three shots, and the motorcade was about where that Stemmons Freeway sign is there.

I do remember one peculiar thing happened just at the time I saw the man up there. There was a girl walked in the Texas School Book Depository Building, a rather tall girl, and looked to me like she might be an employee in that building. She was walking in while everyone else had been coming out.

We received information from Mrs. Bill Randle, 2439 W. 5th, Irving, Texas, BL3 8965 that her brother, Ruell Wesley Frazier, w/m/19, same address, took Lee Oswald to work on the morning of the murder and that she saw Oswald put a long package in the back seat of her brother's 1954 black chevrolet, 4 door. 1963, Texas license VK 3926. (See her affidavit.) She said her brother wasn't home but visiting their step-father, Dave Williams, at Parkland Hospital. We checked with Parkland Hospital, but they didn't have a Dave Williams there. We finally located Dave Williams at the Irving Professional Center, Room #30. Det. Rose contacted Det. John A. McCabe of the Irving, P. D. and asked him to check there for Frazier. Det. McCabe called us back stating he had the boy at the Irving P. D. We went there immediately and got Frazier and accompanied by McCabe went to the Irving Professional Center and searched Frazier's 1954 black Chev., Texas license VK 3926. We found nothing of importance. We then went to 2439 W. 5th with Frazier and he showed us where he kept his .303 cal. rifle and box of ammunition (see property room invoice). Frazier's sister, Mrs. Randle, came to the location and we brought Frazier and Mrs. Randle to the homicide office. Affidavit was taken from Mrs. Randle. Frazier was interrogated and run on the polygraph with negative results. Affidavit was then taken from Frazier. Frazier and his sister were then returned to Irving on 11-22-63.

Subject: Interview of Officer B. W. Hargis
by Alvin V. Oser, Executive Assistant
District Attorney of New Orleans,
Louisiana

Sir:

At approximately 8:30 a.m., August 7, 1968, I received a telephone call at my home from Alvin V. Oser, who identified himself as the Assistant District Attorney of New Orleans, Louisiana. He stated he would like to come to my residence and ask me a few questions about the assassination of President Kennedy.

I had been awakened by his call, and told him it would be all right, and about 9:30 a.m., August 7, 1968, Mr. Oser and an Englishman by the name of Tommy (unknown last name) came to my residence and got me out of bed.

Before the interview, I told Mr. Oser that I couldn't testify to anything that wasn't in the Warren Commission report. He stated that he didn't want anything else. Mr. Oser used a tape recorder to tape the interview. His questions pertained to my position; to the President's position; to which way Governor Connally was sitting in relation to the President; and to what happened when they were shot. Mr. Oser also took a picture of me with a 35 mm camera and stated that he would send me a subpoena September 10, 1968; but, not to honor it until he called me.

I contacted Deputy Chief R. H. Winters on August 12, 1968, and he instructed me not to honor any out of State subpoena until I could talk to the City Attorney and obtain his permission, or that of Chief Batchelor.

Subject: Interview with the Assistant
District Attorney from the New Orleans
Office of District Attorney Garrison

Sir:

On Wednesday, August 7, 1968 at approximately 11:00 a.m., I received a telephone call at my residence from Bobby Hargis. He informed me that the Assistant District Attorney and another man named Bethel were wanting to interview me concerning events at the time of the President's assassination. I stated that I did not want to talk to these men, that I had nothing to say to them, nor did I feel well enough to talk with anyone. I told him I definitely did not have anything to relate concerning the assassination. At his insistence however, I agreed to let them come to my home.

At 1:00 p.m. they arrived at my residence. They wanted to interview me on events that took place at Dealey Plaza. They questioned me on the directions of the shots - where I thought they originated from. They also asked if I saw Bobby Hargis after the shooting. I replied that I did not know where the shots were coming from, nor had I remembered particularly seeing Hargis after the shots were fired.

These men wanted to make a taped record of my statements. I refused to do this. I informed them that anything I had said was on file with the Warren Commission and that I had absolutely no comments to make to them.

They also asked me if I was surprised when the motorcade turned from Main Street onto Houston Street. My only reply was "No". They said they wanted me to come to New Orleans to testify but I told them I would not come unless a subpoena made it mandatory that I appear.

They further asked if the Police Department here had questioned me about the assassination. To this I replied that anything concerning the Dallas Police Department could be answered by contacting Chief Batchelor.

These men concluded their visit in approximately ten minutes from the time they arrived.

Subject gave the following information: "I have been working here at the Texas School Book Depository for five years as a porter. I come to work at 10:00 A. M. and get off at 5:00 P. M. On the day Kennedy was shot I came to work at my usual time and saw Oswald who comes to work at 8:00 A. M. going about his usual routine as an order filler. I noticed nothing unusual about Oswald's actions. At 12:00 noon, I told Oswald that I was going to eat my sandwich. Oswald mumbled something that he was going up to eat. This was the last time I saw Oswald."

"During the Presidential parade, I was standing by a window on the lower floor at the front of the building watching the cars pass when I heard this shot. It shook the window and I moved away from the window and looked at the clock. It was exactly 12:33 P. M. Some more shots were fired. I distinctly heard three shots in all. Some one said they were coming from the railroad tracks, I said as they are coming from the top of the building."

"I did not see Oswald leave the building. Oswald was very quiet and had nothing to say much to the other employees. During the lunch breaks, Oswald usually made several phone calls, which were usually short in length."

A man in the back seat slumped over and a woman in bright colored dress (Orange or Yellow) grabbed the man and yelled. One shot apparently hit the street past the car. I saw something which I thought was smoke or steam coming from a group of trees north of Elm off the Railroad tracks. I did not see anyone on the tracks or in the trees. A large group of people concreated and a motorcycle officer dropped his motor and took off on foot to the car. ~~XXXXXXXXXX~~

I had a Polaroid Camera with me and was intending to take pictures of President Kennedy and the motorcade. As the motorcade started toward me I took two pictures. As President Kennedy was opposite me, I took a picture of him. As I snapped the picture of President Kennedy, I heard a shot ring out. President Kennedy kind of slumped over. Then I heard another shot ring out and Mrs. Kennedy jumped up in the car and said, "My God, he has been shot." When I heard these shots ring out, I fell to the ground to keep from being hit myself. I heard three or four shots in all. After the pictures I took were developed, the picture of President Kennedy showed him slumped over. When the pictures were developed, they came out real light. These pictures have been turned over to Officers investigating this incident.

Deposes and says:- My husband, Billy, myself and our children were standing about halfway between the corner of Elm and Houston and the underpass. We were the last people in line going toward the underpass. When President Kennedy's car was about ten feet from us, I heard a noise that sounded like a firecracker going off. President Kennedy kind of jumped like he was startled and covered his head with his hands and then raised up. After I heard the first shot, another shot sounded and Governor Connally kind of grabbed his chest and lay back on the seat of the car. When I first saw and heard all of this, I thought it was all of a joke. Just about the time President Kennedy was right in front of us, I heard another shot ring out and the President put his hands up to his head. I saw blood all over the side of his head. About this time Mrs. Kennedy grabbed the President and he kind of lay over to the side kind of in her arms. Then my husband, Billy, said it is a shot. We grabbed our two children and my husband lay on one child and I lay on the other one on the grass. We started to get up and then all of a sudden we lay back down. I don't know what it was but another shot may have been fired that caused us to lay back down. Everyone started running back toward the brick structure. We got up and went back there. Everyone was saying, "What happened? What happened.?" Some man from Channel 8 here in Dallas took us over to the studio where we gave statements of what we had seen. This is all I saw or know of the incident.

My name is Jean Newman, I live with my parents, my father's name is G. C. Kimbriel. I work at the Rheem Manufacturing Company.

I was standing right on this side of the Stemmons Freeway sign, about half-way between the sign and the edge of the building on the corner. I was by myself, there were other people around watching the motorcade. The motorcade had just passed me when I heard something that I thought was a firecracker at first, and the President had just passed me, because after he had just passed, there was a loud report, it just scared me, and I noticed that the President jumped, he sort of ducked his head down and I thought at the time that it probably scared him, too, just like it did me, because he flinched, like he jumped. I saw him put his elbows like this, with his hands on his chest.

By this time, the motorcade never did stop, and the President fell to his left and his wife jumped up on her knees, I believe it was, in the back of the car on her knees, I couldn't say that for sure. And I realized then it had been a shot. I looked in the car and she was on her knees, and he wasn't even visible in the car. I looked around then and everybody was running every which way, I don't know why I didn't run, I just stood there and backed up and looked around to see if I could see anything, but I saw no one whatever with anything that resembled a gun or anything of that kind.

I just heard two shots. When it happened, I was just looking at the President and his wife, and when she jumped up in the car, I had my vision focused on her, and I didn't see anything else, about the others in the front of the car.

The first impression I had was that the shots came from my right.

We were standing at the edge of the curb looking at the car as it was coming toward us and all of a sudden there was a noise, apparently gunshot. The President jumped up in his seat, and it looked like what I thought was a firecracker had went off and I thought he had realized it. It was just like an explosion and he was standing up. By this time he was directly in front of us and I was looking directly at him when he was hit in the side of the head. Then he fell back and Governor Connally was holding his middle section. Then we fell down on the grass as it seemed that we were in direct path of fire. It looked like Mrs. Kennady jumped on top of the President. He kinda fell back and it looked like she was holding him. Then the car sped away and everybody in that area had run upon top of that little mound. I thought the shot had come from the garden directly behind me, that was on an elevation from where I was as I was right on the curb. I do not recall looking toward the Texas School Book Depository. I looked back in the vicinity of the garden.

This day at about 1235 PM I was on the roof of the Terminal Annex Bldg on the NE Corner when the presidential Motorcade came down Main to Houston, North on Houston and then West on Elm. The cars had proceeded West on Elm and was just a short distance from the Tripple underpass, when I saw Gov Connolly slump over. I did not see the president as his car had gotten out of my view under the underpass. There was a volley of shots, I think five and then much later, maybe as much as five minutes later another one. I saw one man run towards the passenger cars on the railroad siding after the volley of shots. This man had a white dress shirt, no tie and khaki colored trousers. His hair appeared to be long and dark and his agility running could be about 25 yrs of age. He had something in his hand. I couldn't be sure but it may have been a head piece. 1. Approximate time I reported to duty. 9:00 A. M.
2. I reported to Assembly Room.
3. I was assigned to the Assembly Room and I remained in the Assembly Room until Sgt. P. T. Dean and another Sergeant came in and requested that all Reserve Officers that were not assigned to report to the basement and help shake it down.

We started at the north wall and searched the air conditioning ducts, cars and all places where a weapon could be concealed. After the search, several of the officers were given traffic assignments, and the rest of us remained in the basement for further assignments. As we were waiting I noticed that each person that came in through the ramps were being checked for "Press Pass" or Police I.D.

Dallas Police Reserve Patrolman W. J. Newman was assigned to the lower south end of the ramp, and Sgt. Dean requested that a man guard the south basement employee entrance, and I assigned Patrolman Newman to this door and took his place at the ramp. I noticed the regular officers were checking each person as they came in.

Subject gave the following information: " I have been working here at the Texas School Book Depository for five years as a porter. I come to work at 10:00 A. M. and get off at 8:00 PM. On the day Kennedy was shot I came to work at my usual time and saw Oswald who comes to work at 8:00 AM. going about his usual routine as an order filler. I noticed nothing unusual about Oswald's actions. At 12:00 noon, I told Oswald that I was going to eat my sandwich. Oswald mumbled something that he was going up to eat. This was the last time I saw Oswald."

"During the Presidential parade, I was standing by a window on the lower floor at the front of the building watching the cars pass when I heard this shot. It shook the window and I moved away from the window and looked at the clock. It was exactly 12:25 P. M.. Some more shots were fired . I distinctly heard three shots in all. Some one said they were coming from the railroad tracks, I said no they are coming from the top of the building".

"I did not see Oswald leave the building. Oswald was very quiet and had nothing to say much to the other employees. During the lunch breaks, Oswald usually made several phone calls, which were usually short in length."

I asked Mr Shelley if he had seen Lee? He said no. I then contacted Chief Sampson and told him Lee was missing. Then both of us went up on the sixth floor where Capt Fritz was a. I told Capt Fritz about Lee being missing and ~~that~~ where he lived.

I did not see Lee Oswald ^{any} more. We don't ~~usually~~ run a ~~check~~ ^{through} check on our temporary employees. In Lee Oswald Case, a Lady from Irving called a. REPORT ON OFFICER'S DUTIES IN REGARDS TO OSWALD'S DEATH

K. L. ANDERTON - #1506

On the morning of November 24, 1963 at about 11:15 AM I was watching television at home and saw where Lee Harvey Oswald had been shot, while being transferred from the City Jail to the County Jail. When I got^{to} the office at about 1:00 PM, Jack Ruby was in Capt. Fritz's office with several other men. I walked with Jack Ruby and several detectives from the office to the elevator on the third floor when Jack Ruby was placed in jail.

During the afternoon of November 24, 1963, Eva Grant, Jack Ruby's sister, came in the office with another white female and newsman, Jim Underwood. I took Eva Grant, the friend with her, and Jim Underwood into a back room and sat them down. I talked to Eva Grant, and she asked me questions about what her brother was charged with and how she could get him out on bond.

Eva Grant told me that Jack Ruby had changed his name from Jack Rubenstein to Jack Ruby while he was in the service. She said that she was afraid she had given Jack the idea to shoot Oswald by something she had said to him. She did not tell me what she had said to him. Eva said that Jack had talked to one of his brothers on the telephone on the night of Friday, November 22, 1963. She didn't tell me which brother, or what was said. She only said that Jack was crying.

I left the office at about 12:30 AM, November 25, 1963, and went home.

REPORT ON OFFICER'S DUTIES IN REGARDS TO PRESIDENT'S MURDER

C. W. BROWN - #759

Last Friday, November 22, 1963, I reported for work at 10:00 AM. My partner, C. N. Dhority, was on a day off, and I was working alone. At approximately 11:00 AM, Det. J. R. Leavelle and myself started looking for a colored male that was wanted for armed robbery by this Bureau. At 12:15 PM, we arrested this subject at 2421 Ellis Street and brought him to the Homicide Office for booking. While Det. Leavelle and myself were booking this prisoner, we heard the police radio announce that the President had been shot and was enroute to Parkland Hospital. Det. Leavelle and I placed this prisoner in jail and proceeded to the location of the shooting at Elm and Houston. When we arrived at the location, we found that the Book Depository was sealed off for search. Det. Leavelle went in one direction, and I went to the rear of the building and entered. I saw several officers and proceeded to the sixth floor. I contacted Capt. Fritz. Capt. Fritz advised me and Det. B. L. Senkel, who was already there, to bring the employees of this building to the Homicide Office and get affidavits from them. Det. Senkel and I brought three of these employees to the office, and I took an affidavit from a William H. Shelley, w/m/37, of 126 South Tatum Street, FE 7-1969. While I was taking this affidavit from Mr. Shelley, a group of officers brought a Lee Harvey Oswald in, and these officers stated that he was the one that shot officer J. D. Tippit. Mr. Shelley saw this Oswald, and told me that he was one of his employees at the book store. After I took the affidavit from Mr. Shelley in regards to his whereabouts and action after the shooting, I took a second one from him relating to the employment and job supervision of Oswald. Det. Senkel took an affidavit from a

C. W. Brown - 2

Bonnie Ray Williams, c/m/, of 1502 Avenue B, that we brought from the building. The rest of the night until 2:30 am, November 23, 1963, was spent in the Homicide and Robbery Bureau answering telephones. The next day, which was the 23rd of November, I took an affidavit from a Mr. Seymour Weitzman, w/m, of 2802 Oats Drive, DA 7-6624. This man is a deputy constable working out of Constable Robie Love's office, in the Court House Building. This man and a Deputy Boone of the Sheriff's office were on the sixth floor of the Book Depository Building and found the rifle used in the shooting of the President. Throughout the day and night I remained in the Homicide office continuing the investigation.

At approximately 6:00 pm Lt. T. F. Wells gave my partner, C. N. Dhority, and myself information that the bus driver that picked up Oswald near the scene of the President's murder was driving the Piedmont bus #50 and would be at the intersection of Commerce and Harwood at 6:15 pm. We walked over to the bus stop and stopped this bus which was driven by a Mr. McWatters, and he accompanied us to the Homicide Office where my partner took an affidavit from him. This suspect Oswald, when arrested, had a bus transfer slip in his pocket and Mr. McWatters identified this as being the one that he had punched earlier. After the affidavit was taken by my partner, we both took Mr. McWatters to the Police Assembly Room located in the basement of the city hall for a lineup. Mr. McWatters identified Oswald as #2 man in a 4-man lineup at 6:30 pm, numbering left to right on the stage. Mr. McWatters went back to his work, and my partner and I returned to the Homicide Office for further investigation.

November 27, 1963

Subject: Jack Ruby

Sir:

On Sunday November 24, 1963, I was assigned to down stairs Jail Office by Lt. Wiggins. I had instructions to stay by the phone and to advise the dispatcher when Oswald had been loaded into armor car and was in route to County Jail.

I did not know Jack Ruby personally nor would I have known him if I had seen him, but I have heard his name before as owning a night club.

I did not see the shooting, but I was looking out glass in door to see when he was loaded into armored car. There was a shot and a scuffle and Lt. Wiggins said Oswald was shot and to call a doctor. I then called dispatcher for a doctor.

I did not see Jack Ruby in the basement until after the shooting when detectives brought him into Jail Office under arrest.

I am a student at Idamson High School in Dallas, Texas. I am employed on weekends at the Pizza Inn located on West Davis Avenue in Dallas. At approximately 12:10PM today, my wife Barbara and I arrived in downtown Dallas and took position to see the President's motorcade. We took position at the west entrance of the Sheriff's Office on Houston Street. We stood there for a time talking about various things and were talking about the security measures that were being made for the president's visit in view of the recent trouble when Mr. Adalai Stevenson had been a recent visitor to Dallas. It must have been 5 or 10 minutes later when we were just looking at the surrounding buildings when I looked up at the Texas Book ^{Department} building and noticed that the second floor from the top had two adjoining windows which were wide open, and upon looking I saw what I thought was a man standing back about 15 feet from the windows and was holding in his arms what appeared to be a hi powered rifle because it looked as though it had a scope on it. He appeared to be holding this at a parade rest sort of position. I mentioned this to my wife and merely made the remark that it must be the secret service man. This man appeared to be a white man and appeared to have a light colored shirt on, open at the neck. He appeared to be of slender build and appeared to have dark hair. In about 15 minutes President Kennedy passed the exact spot where we were standing and the motorcade had just turned west on Elm heading down the hill when I heard a noise which I thought to be a back fire. In fact some of the people around laughed and then in about 8 seconds I heard another report and in about 3 seconds a third report. My wife, who had ahold of my hand, started running and dragging me across the street and I never did look up again at this window.

This statement is true and correct to the best of my knowledge and belief.

My husband, Arnold Rowland and I came to downtown Dallas today at approximately 12:10PM to see the President in the motorcade. We are both students at Adamson High School, but my husband has been ill and neither of us went to school today in order to see the President. We had taken a position at the side entrance of the Sheriff's Office on Houston Street and were standing there talking. We talked about security measures for the President and had talked about the recent affair with Mr. Stevenson. Arnold told me to look up at the building which was the Texas Book Depository at two adjoining open windows, that there was a man up there holding a rifle and he must be a secret service man. I looked up and Arnold told me he had moved back, but I didn't see anything because I am very nearsighted and I didn't have my glasses on. We didn't think anything more of this and in about 15 minutes the President passed where we were standing and turned left onto Elm Street and started down towards the underpass when I heard a report and thought it was a backfire then in a few seconds another report sounded and in another few seconds the third report. We started running towards Elm Street and that is all I know.

Who, after being by me duly sworn, on oath deposes and says: Today approximately 12:30 pm November 22, 1963 I was standing on the front steps at 411 Elm watching the President in the parade. The President's car was about half way from Houston Street to the Triple Underpass when I heard what sounded like three shots. I couldn't tell where they were coming from. I ran across the street to the corner of the park and ran into a girl crying and she said the President had been shot. This girl's name is Gloria Calvery who is an employee of this same building. I went back to the building and went inside and called my wife and told her what happened. I was on the first floor then and I stayed at the elevator and was told not to let anyone out of the elevator. I left the elevator and went with the police on up to the other floors. I left Jack Dougherty in charge of the elevator.

STATEMENT OF MR. O. V. CAMPBELL

I talked with Mr. Campbell this date, February 17, 1964, at 6:00 pm. The following is a statement he gave me.

My name is O. V. Campbell, 7120 Twin Tree Lane, TAl, 5527. I am the Vice-president of the Texas School Book Depository, 411 Elm Street.

On November 22 1963, I arrived at work between 8:30 and 9:00 am. My office is on the second floor, Room 200. I did my usual work until noon. I had forgotten about the parade. I started to lunch with Mr. Truly. When we got downstairs Mr. Truly asked if I wanted to wait and see the parade. We waited on the front steps until the parade turned off Main Street on to Houston Street. We then walked across Elm Street and stood on the curb near the parade as it turned from Houston Street down under the underpass. I heard the shots, it sounded like they came from the knoll near the railroad tracks. I thought it was fire crackers. A uniform officer came up and at the same time a construction worker with a helmet on came across the street and said he had seen a rifle barrel in the sixth floor window. I walked back in the building. Mr. Truly and the officer had already gone in and up the stairs. I waited until they came back down to see if they found anything. The employees were standing around. When Mr. Truly came down he said one of the employees was missing, a man named Oswald. I did not know Oswald. I told Mr. Truly to tell the officers about him and what he looked like.

I went back to my office and an FBI agent came in and introduced himself. I don't remember his name. He asked that I have all the employees vacate the building. This I did, telling them to take the rest of the day off.

Mr. O. V. Campbell
Page 2

I remained in the office until about 2:30 or 3:00 pm. Then I left.
The officers were still searching the building when I left.
This concludes Mr. Campbell's statement to me.

INFORMATION REGARDING ARNOLD LOUIS FOWLAND W/M/19

After the assassination of the President, Fowland was interviewed as a witness. At this time he listed his address as 3026 Hammerly Drive. On this date, February 19, 1964, an effort was made to locate this subject, and it was found that 3026 Hammerly Drive is the address of this subject's mother-in-law. She states that she has not seen the subject or her daughter since January 1964.

A check with Adamson High School shows that this subject listed his address as 809 S. Marsalis. This is a fictitious address. In further conversation with this subject's in-laws, they told us that the only contact they had with him was through letters and they addressed their letters to this subject at Post Office Box 1967, Dallas, Texas.

A check with Mr. Armstrong of the Postal Inspector's Office shows that the box 1967 was rented on November 21, 1963 by this subject who gave his address as 4111 Lakhurst Court. A check was made of this address and it was found that this subject lived at this address from September 11, 1963 until November 11, 1963. He moved and left no forwarding address.

He moved from 4111 Lakhurst Court a week before he rented the Post Office Box 1967.

I am a student at Edamson High School in Dallas, Texas. I am employed on weekends at the Pizza Inn located on West Davis Avenue in Dallas. At approximately 12:10PM today, my wife Barbara and I arrived in downtown Dallas and took position to see the President's motorcade. We took position at the west entrance of the Sheriff's Office on Houston Street. We stood there for a time talking about various things and were talking about the security measures that were being made for the president's visit in view of the recent trouble when Mr. Adalai Stevenson had been a recent visitor to Dallas. It must have been 5 or 10 minutes later when we were just looking at the surrounding buildings when I looked up at the Texas Book Depository building and noticed that the second floor from the top had two adjoining windows which were wide open, and upon looking I saw what I thought was a man standing back about 15 feet from the windows and was holding in his arms what appeared to be a hi powered rifle because it looked as though it had a scope on it. He appeared to be holding this at a parade rest sort of position. I mentioned this to my wife and merely made the remark that it must be the secret service men. This man appeared to be a white man and appeared to have a light colored shirt on, open at the neck. He appeared to be of slender build and appeared to have dark hair. In about 15 minutes President Kennedy passed the exact spot where we were standing and the motorcade had just turned west on Elm heading down the hill when I heard a noise which I thought to be a back fire. In fact some of the people around laughed and then in about 8 seconds I heard another report and in about 3 seconds a third report. Subject: Jack Ruby

Sir:

On Sunday November 24, 1963, I was assigned to down stairs Jail Office by Lt. Wiggins. I had instructions to stay by the phone and to advise the dispatcher when Oswald had been loaded into armor car and was in route to County Jail.

I did not know Jack Ruby personally nor would I have known him if I had seen him, but I have heard his name before as owning a night club.

I did not see the shooting, but I was looking out glass in door to see when he was loaded into armored car. There was a shot and a scuffle and Lt. Wiggins said Oswald was shot and to call a doctor. I then called dispatcher for a doctor.

I did not see Jack Ruby in the basement until after the shooting when detectives brought him into Jail Office under arrest.

Respectfully submitted
