

2/20- If, in writing about phony profesional scholars, I want to use Kurtz as an example, would it be OK to use what he tried to do to you at Kansas?

Using his name?

Or omitting it?

Without mentioning Kansas.

This would be in Fetzer, if I do that.

And it would select his dumbist comments and criticism and the worse  
thay nonsense he wanted added.

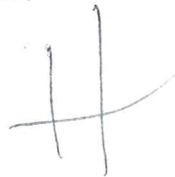

With appropriate criticisms of what he wanted.

In the sense that this kind of failure, which is Fetzer's, too, it hurtful  
to the public. *And history*

Sorry about my delays.

This a.m. I have an 8:15 appointment at Hopkins.
