3-26-92 ★ ★ J.F. McRONLIE  
THE NEW movie "Ruby," about Jack Ruby, killer of Lee Harvey Oswald, was previewed here this wk., and among the attendees was lawyer Melvin Belli, who defended Ruby. After the film, Belli mentioned to Bruce Bellingham that during the week of the Kennedy assassination, Ruby had binged so heavily on Jewish food that "he was out of his mind." "Golly," said Bruce. "You could have invented the first Kosher Twinkie Defense."
