

Jlt: While I am certain you've given me copies of at least some I find that my files of correspondence with the government in 226-75 are incomplete. As I've told you I also do not have a copy of the complaint. I spent hour or so searching files in which these letters could have been misfiled without finding one. This is immediately important because I needed them for this morning's writing. You can tell what I'm missing from that I do have:

~~1/15/75~~ Your initial letter to Bender of 9/74
1/15/75 you to Silberman
1/29/75 ditto
2/14/75 Schur to you
3/6/75 you to Levi and Kelley
3/17/75 Lawton to you
3/31/75 Kelley to you (referring to his 3/26)
3/31/75 Silbert (Aikens) to you.

I would appreciate copies as soon as you can provide them because I've written past this and Lil is close behind me in final typing. If I have to pick something up or make a change that requires repaging the amount of extra work can be great.

I'm certain I did a memo on our 3/14 FBI meeting but I can't find a carbon. If you have this or one of your own it would help. Thanks, HW
