Mr. Burko Marshall
Old Orchard Road
Armonk, New York 10504

Dear Mr. Marshall:

In answer to my letter of January 17, your secretary wrote on January 30 that you had had no chance to respond before leaving the country. You were, she said, to have returned February 12 and would reply as soon thereafter as possible.

It is now more than five weeks since your return. Possibly my letter has escaped your attention. I would appreciate a response to it.

Sincerely,

Harold Weisberg
