Dear Emory,

Harold Weisberg sent me a copy of his letter to you, dated January 11, concerning your ~~my~~ proposed suit relating to the DFD radio log leads.

I told Harold that I agreed with the warnings he offered. I also noted that Jim Schmitt (1546 S.E. 55th Ave., Portland, Oregon 97215) has done some work in that area.

I just happened to remember where we found some relevant FBI reports. Pages 329-343 of CD 897 are ~~described~~ described as

"Data from Transcripts of Radio Transmissions by Dallas Area Law-Enforcement Agencies and Related Investigation"

I have ~~my~~ all these pages, except for p. 329 (which is presumably a cover page). If you do not already have them, I can send you a copy. They cover licenses DT 4857 (D. W. House), PE 3435, RB 8950, NX 3171, NA ~~4445~~ 4445, etc. There is probably related material in other CD's. You might ~~want~~ want to contact Jim Schmitt directly for his work on this matter.

Sincerely,

Paul L. Hoch
