**NOTIFICATION OF WORK TERMINATION EXIT MEDICAL EXAM**

At the time of separation from employment a general health evaluation to establish a record of physical condition is available upon request by the employee. If an employee elects to receive an evaluation, the evaluation must be completed within 3 weeks of termination or as scheduled by OM if OM cannot schedule the evaluation within the initial 3 week window.

By virtue of your signature below, you signify that you understand that failure to contact OM to schedule an evaluation automatically defaults to a "declined" status for the health evaluation immediately following the 3 week window from the time of separation.
