MEMORANDUM

TO: Jim Lesar
Paul Hoch
Mary Farrell
Jeff Goldberg
William Gill

FROM: Bud Fensterwald

Enclosed are the documents relating to the end of my suit against the CIA for documents in the JFK case.

As you will note, Judge Sirica denied access to all documents which are classified "national security." As my memorandum to the Court points out, in my view this is the end of this long trail ---- so I voluntarily had the case dismissed.

Once a hero, but not a second time.

We shall overcome.
