Civil Action No. 75-1448

MOTION FOR AN EXTENSION OF TIME
WITHIN WHICH TO OPPOSE DEFEN-
DANT'S MOTION FOR SUMMARY JUDGMENT

Plaintiff respectfully moves the Court for an Order extending the time within which to oppose defendant's motion for summary judgment to May 8, 1976. In support thereof, plaintiff represents to the Court as follows:

Plaintiff's counsel is preparing a lengthy affidavit by plaintiff which will be used in support of plaintiff's opposition to defendant's motion for summary judgment. It is unlikely that this affidavit can be completed before May 2, 1976. Plaintiff's attorney intends to go to Frederick, Maryland on either May 3 or May 4 to present a draft of this affidavit to plaintiff. If deletions, additions, or other changes in the draft are required, plaintiff will probably not be able to sign the final draft until May 5, 1976, on which date he will be in Washington, D. C. for a hearing on his Freedom of Information Act suit for documents pertaining to the assassination of Dr. Martin Luther King, Jr. (Civil Action No. 75-1996). Plaintiff's counsel believes that he will be able to file plaintiff's opposition within a day or two after the signing

of the supporting affidavit.

WHEREFORE, for the above-stated reasons, plaintiff requests that the Court enter an Order extending the time within which to oppose defendant's motion for summary judgment until May 8, 1976.
