STATEMENT OF MATERIAL FACTS AS TO WHICH THERE IS NO GENUINE ISSUE

In support of his motion for summary judgment with respect to the January 21, 1964, Warren Commission executive session transcript, and in conformity with Local Rule 1-9(h), plaintiff submits herewith a statement of material facts as to which he contends there is no genuine issue:

- 1. On March 12, 1975, plaintiff made a request under the Freedom of Information Act, 5 U.S.C. §552, for disclosure of pages 63-73 of the January 21, 1964, Warren Commission executive session transcript.
- 2. On April 4, 1975, Assistant Archivist Edward G. Campbell denied plaintiff's request for disclosure of pages 63-73 of the January 21, 1964, Warren Commission executive session transcript.
- 3. On April 15, 1975, plaintiff appealed this denial to the Deputy Archivist, Dr. James O'Neill.
- 4. By letter dated May 22, 1975, the Deputy Archivist upheld the refusal to disclose the withheld pages of the January 21 transcript.

- 5. On September 4, 1975, plaintiff filed suit under the Freedom of Information Act for disclosure of pages 63-73 of the January 21, 1964, Warren Commission executive session transcript.
- 6. The defendant invoked Exemption 1 as a ground for refusing to disclose the withheld pages of the January 21 transcript and in support of this contention submitted affidavits by Dr. James B. Rhoads of the National Archives and Mr. Charles A. Briggs of the Central Intelligence Agency swearing that this transcript is classified "Confidential".
- 7. Plaintiff's Exhibit 1, a xerox of the cover of Copy 3 of the January 21 transcript, shows that its classification was cancelled by authority of the Archivist of the United States on February 21, 1968.

MEMORANDUM OF POINTS AND AUTHORITIES

The defendant has maintained that the withheld pages of the January 21, 1964, Warren Commission executive session transcript are exempt from disclosure under Exemption 1 to the Freedom of Information Act because they are in fact properly classified pursuant to Executive Order. The defendant has submitted affidavits by Dr. James B. Rhoads, Archivist of the United States, and Mr. Charles A. Briggs of the Central Intelligence Agency swearing to this fact. Defendant's answers to interrogatories further state that as of April 16, 1976, all copies of the the January 21 transcript were marked "Confidential". (See Dr. Rhoads' answer to interrogatory No. 57)

Attached hereto is a xerox of the cover of Copy 3 of the January 21 transcript which shows that its classification was cancelled by authority of the Archivist of the United States on February 21, 1968. Since this copy of the January 21 transcript is not presently classified, defendant cannot lawfully continue to withhold it under the authority of Exemption 1. Accordingly, plaintiff asks

that he be awarded summary judgment with regard to the withheld pages of this transcript, and that defendant be ordered to make them available to him immediately.

Respectfully submitted,
