Re: Weisberg v. General Services Ad-
ministration, C.A. No. 75-1448

Dear Judge Robinson:

In accordance with the attached January 12, 1979 order of the United States Court of Appeals, I will be filing motions on "post-dismissal matters" as soon as I can do so. At a minimum, I expect to move for attorneys' fees and to ask that the sanctions provision of the Freedom of Information Act be invoked.

I do not know just how soon I can file these motions. I am presently working on a brief which is overdue in the Court of Appeals and have other matters which cannot wait. My best guess is that it will be about a month before I can file the post-dismissal motions in this case.

Sincerely yours,

James H. Lesar

And Consolidated Case No. 78-1731

BEFORE: Bazelon*, Circuit Judge; Fahy, Senior Circuit Judge and

O R D E R

On consideration of appellee's motion for partial dismissal of appeal in No. 77-1831 and for complete dismissal of the appeal in No. 78-1731 on grounds of mootness, and responses thereto, and the record on appeal, it is

ORDERED by the Court that the order of the District Court on appeal in No. 77-1831 relating to the January 21, 1964 and June 23, 1964 transcripts, and the entire order of the District Court on appeal in No. 78-1731 are dismissed as moot. As to those matters, the cases are remanded to the District Court with directions to vacate its orders. See United States v. Munsingwear, Inc., 340 U.S. 36 (1950). All other issues on appeal in 77-1831 before this Court remain for consideration. The District Court may still consider any post-dismissal matters, upon motion, as the District Court deems appropriate.
