Nothing yet on marking
No single paper from Memphis F.O.
Nothing from other F.O.'s. I specified Washington beginning 2/11 to Dugan and 3/23
to Wiseman.
Nothing from Criminal?
Pictures of 3/23 not yet ready 5/5. They have negatives of all. No real work. A drug
store could do in a couple of days.
No single promise date judge kept yet.
Dugan's Time-Life letter not yet supplied. Wiseman gave different version.
They say they are responding in six months. + have unresponded to requests that are
older.
Just a few Vaughn suggestions.
