Judge June Green
United States Courthouse
Washington, D. C. 20001

Dear Judge Green:

The following items were delivered to Mr. Dugan today:

1. A copy of a 6/24/68 airtel to the Director, FBI, from LEGAT, London, which I have cited as an example of masking. This airtel was provided us by the FBI.
2. A shipper's receipt and a receipt for certified mail, both obtained from the office of the District Attorney General of Shelby County, Tennessee.
3. A copy of a March 27, 1974, letter from Mr. Bernard Fensterwald to Mr. William O'Connor of the Department of Justice's Civil Rights Division, and the attached September 14, 1973, letter from Mr. George McMillan to James Earl Ray's brother, John Ray. These were obtained from the Civil Rights Division about a week ago. Because the Civil Rights Division copy of Mr. McMillan's letter is somewhat difficult to read, particularly the relevant part of it which I read in court, I am also attaching a clearer xerox made from the original in my possession.
4. A copy of the September 27, 1968, letter from District Attorney Phil Canale to Mr. Stephen J. Pollak. This letter was obtained from the Civil Rights Division about a week ago. I have not yet referred to it in court, but I anticipate that it may come up at the next hearing.
5. A copy of the October 22, 1968, letter from Mr. Phil M. Canale to Mr. Robert D. Owen.
6. A copy of the November 3, 1975, memorandum from Mr. Stephen Horn to Assistant Attorney General J. Stanley Pottinger.

The last two items were obtained from the Civil Rights Division about a week ago and are attached to the Request for Production of Documents which I filed on May 4, 1976, and delivered to Mr. Dugan's office that same day.

Sincerely yours,

Jim Lesar
