Dear Mr. Hubert,

Refer to the execution of your affidavit in C.A.75-4994, in which I as the plain-
tiff, I made charges against FBI SA Thomas Wismann, supervisor in the FEA/SA unit.
I asked that Director Kelley become aware and forward this complaint to you. After
a long delay I have learned that he did not.

I therefore presume that my earlier request addressed to the Attorney General
also did not reach you because you have not acknowledged it.

SA Wismann was friendly in this suit and in so doing used the processes of the
Court to defame me.

In early June, prior to my writing anyone else, I wrote SA Wismann directly, asking
that he retract.

He has not retracted. In fact he has not acknowledged receipt of my letter.

As you know, FEA requires promptness of response. My request dates to April 75 a
year ago. SA Wismann who has qualified himself to the Court as an FEA expert,
violated regulations in

a) not informing me of the estimated search cost and the deposit on it he would
require, and

b) then using this as an excuse to stall me and not comply with the law.

For an expert I believe these constitute a violation of the law and its intent.
I believe all constitute obstruction.

May I look forward to a prompt inquiry and a prompt response?

Sincerely,

Donald Velchou
