Dear Courge,

Buriller this serming, when I was a bit unsteady from whatever now in weeking on no and said many interruptions, I started the deaft of a letter for the purposes below.

I had expected to lot in not for a spall and then go over and routine it. Justa may not be comprehensible, although I'd like to hape better.

The Jim phoned to any that the MI by november had haboured and delivered the name of a discount reflect them a restortion.

I believe that the actualities of recent years 46 qualify for the restantan of conta-

If you can help in any very, thunks. I'd also appreciate it if you show this to Paul.

"subship a letter would be enough but I expect emport having it metanteed would be better-

It would be better to send to Jim becar, 1231 4 Bt., SE, 20084.

High in your porter of the Dujke book was everies being said. Good porter.

By our experience with him was that he would not over talk when I filed under PALL for two non-search embilities entered into court evidence.

I never the get them. Letter the LA district follows court agreed to well so copies and then besied out.

They did return up should.

and that is further than I got with Paylo.

If I'd known you were to review the book I'd have reminded you of a story \$422. Challenge and John Hansuban wrote when Jeneralid was fixed appointed.

The about was not used. But if it is not in the nargue the decreases on which it was based should be.
