On June 13, 1969 Harold Weisberg, a free-lance writer who resides at Route 8, Frederick, Maryland, requested an interview with a Departmental attorney.

Later the same day he visited this Division and discussed certain Haitian exile revolutionary activities. He again visited this Division on October 8, 1969 and continued his discussion of Haitian exile activities. The information he furnished regarding those activities was of no value.

During the course of the interview on October 8, 1969, Mr. Weisberg advised that he had recently received a telephone call from J. B. Stoner, National Chairman of the National States Rights Party. He said that Stoner told him that two men in his Party formerly served as informants of the FBI. Stoner allegedly said that these two men are prepared to testify in court that the FBI offered them \$25,000 to frame James Earl Ray for the assassination of Martin Luther King, Jr. Mr. Weisberg said that the testimony presumably would be furnished in a habeas corpus proceeding.

This information is being forwarded as a matter of possible interest to your Bureau.
