ReBuairtel to NY, 5/18/77, requesting New York
to review Elsur indices re JAMES EARL RAY.

The NYO has decided that these two pages should
not be classified as the Bureau, in protecting the privacy
of other individuals mentioned in these pages, can exempt
a great deal of the information and thus make a FOIA (b)
(1) exemption unnecessary. Also, the NYO does not believe
these pages are classifiable in accordance with existing
Attorney General Guidelines in foreign counter-intelligence
investigations.

NYO Elsur indices do not contain any additional
references to RAY.
