Discovery records

Deer Jin,

7/8/80

Hould you please ask Hill Cole for these arong the storing discovery and Consultancy records that the judge directed his to provide:

The Regal Councel Division sens on the second meeting with CAVIL, 11/18/77;

The Legal Conneel Division mano on the is genera meeting.

He records like these were provided parament to the paig's directive.

The discovery recents include Logal Counsel name, with Charles Mathema' initials, of before the first meeting, of the first meeting and of the month after we not with the judge and them only. These indicate that at the least there should be two other Mathema memore.

Records Hap-comment Division personnel perticipated in all these spetings. He coulds of any makes or other records of these Division have been provided.

all Civil Division scopils parteining to the mostings and the consultancy have not been provided.

By recent review of the delayed discovery recends discloses what i regard as important information about which I'll write you. It also indicates that the witcheld records will have important content.

Sincercly,
