Harold Weisberg v. U.S. Department of
Justice, Civil Action 75-1996

We just received copy of the transcript of the status call held on May 18, 1976 (copy attached). We invite your attention especially to pages 24-25 as an indication of what the Court wants to be filed by June 2, 1976.

This submission to the Court may get the case back on track if we can demonstrate to the Court: (1) what was requested, (2) what was given, (3) what does and does not exist, and (4) what, if anything, is claimed to be exempt.
