Dear Mr. Pollak: In Re: State of Tennessee vs.
James Earl Ray

As you probably know, we have been doing extensive pre-trial work getting ready for the trial in the above styled matter on November 12, 1968. Prior to this time, we have received a number of investigative reports from the Federal Bureau of Investigation, but there are some reports which we desperately need in preparing for this case which have not yet been tendered to us. In some instances, we have received laboratory reports pertaining to certain physical evidence, but have not received the field reports which would indicate to us who recovered the evidence that was examined in the laboratory, and how and by whom same was transmitted to the laboratory for examination. Of course, we have to keep intact the chain of evidence in presenting this material at the trial.

It is urgently requested that, as soon as possible, this office be furnished with any and all available investigative reports originating and emanating from the following localities, whether such reports have been submitted by the Federal Bureau of Investigation, local law enforcement, or agencies outside the continental United States.

I make specific reference to the need for reports from the following localities:

Chicago, Illinois
New York City
Canada
London, England (We do have the
Scotland Yard report.)

100-2374
SEP 28 1968
PAR

Mexico
Lisbon, Portugal.

Also, since the last report submitted to this office from field offices of the Federal Bureau of Investigation dated May 17, we have received no reports since that date, and we would like to have the results of any supplemental investigations. I refer specifically to the possible supplemental investigations from Atlanta, Georgia, Los Angeles, California, Birmingham, Alabama, New Orleans, Louisiana, Kansas City, Missouri, and Newark, New Jersey.

Thanking you for your assistance in this matter, I
am

Sincerely yours,

PHIL M. CANALE, JR.
District Attorney General
