BERNAED FERSTERVALD, JR. V. DEPARTMENT OF JUSTICE, USDC D.C., CIV: NO. 861-72

This recommends Office of Legal Counsel expeditionaly furnish Department with attached photographs urgently needed by Civil Division in connection with captioned Freedem of Information suit.

O Bernard Fensterwald, Washington, D. C., atterney associated with Committee to Investigate Assassinations, initiated civil action in U. S. District Court for District of Columbia on 5/2/72, to obtain access to and right'to copy three photographs of an unknown individual which were displayed by a Special Agent in Mexico City, Mexico, to one Pedro Cutierrez Valencia in connection with the investigation of the assassination of President Kennedy. Fensterwald involved Bureau in his complaint as a subordinate component of defendant, Department of Justice.

The photographs sought by Fenstervald were obtained by Legal Attache, Mexico City, from Contral Intelligence Agency (CIA), Mexico City, on 2/19/64, displayed to Cutierrez and returned to CIA. CIA, Mezico City, later sent them to CIA Headquarters. By letter 6/16/72, we asked CIA if it would object to release to Fensterwald of its photographs in form (background cropped cut) in which they were shown to Cutiorrez. CIA responded that under no circumstances may the uncropped photographs be released, but it has no objection to release of copies cropped as they were for Gatierrez. CIA furnished us a copy of each photograph showing only the individual in whom Fenstervald is interested, stating that these photographs are not "the actual ones shown to Gutierrez, but the description (in Fenstervald complaint) is sufficiently detailed to conclude that they are either the same photographs or copies thereof." Ca 6/29/72, Assistant U. S. Attorney Robert N. Werdig, Jr., USDC Washington, D. C. (EDC), contacted Supervisor John B. Botis, Office of Legal Counsel, and stated that he is representing the Government in this matter. He asked about availability of the photographs and was referred by Mr. Hotis to Eupervisor J. P. Thomas, Domestic Intelligence Division, for assistance. Mr. Werdig said that

OPIGINAL' FILED

Memorandum Branigan to Hiller Ro: Bernard Fensterwald, Jr. v. Department of Justice, USDC D.C., Civ. No. 861-72 105-82555

Court had directed him to appear in USDC, MDC, on the morning of 7/5/72, to respond to Pensterwald's Notion for Summary Judgment. Jeffrey Axelrad, Civil Division, Department of Justice, has advised that if the photographs are not produced then, there is every indication that the Court will grant the judgment. Mr. Merdig was informed that the photographs have been received. He asked that a copy of each photograph be made available to him no later than Monday morning, 7/3/72. He stated that upon receipt of the copies, he would give them to Fenstervald and have Fenstervald sign a precipe dropping the suit. SA Thomas informed Mr. Werdig that every effort would be made to comply with his request.

It may be noted that Hr. Werdig, who said he is well acquainted with "Eernie" Fenstervald, called SA Thomas later on 6/29/72 to advise that he had told Fensterwald he expected to be able to give him the photographs on 7/3/72. He also said "Bernie" had asked him to ask the Bureau, as a favor, if it would also furnish him with negatives for each photograph, which Fenstervald would pay for. Fensterwald said he wanted the best negatives possible to make copies of the photographs. Mr. Wordig asked if we would do this favor for "Bernie." Fordig was informed that the FBI Laboratory does not do photographic work for private individuals and that there was no reason apparent why an exception should be made for Yenstervald. (Feastervald's Committee to Investigate Assassinations has persistently requested material relating to the ascadsination which has not been released to the public. These requests have required a great expenditure of effort on the part of the Eureau to the extent that they might be considered a campaign of harassment of the Government).

ACTION:

With your approval, attached photographs will be expeditionally conveyed by the Cifice of Legal Counsel to the Departmont for transmittal to Mr. Werdig on 7/3/72. Cifice of Legal Counsel will coordinate this matter with Mr. Axelrad, Civil Division, and have arrangements made for a receipt for the photographs to be secured from Fenstervald. It may be appropriate to remind Mr. Axelrad that, as he previously stated, no mention is to be made in the public record of proceedings in this matter of the CIA.
