Dear Mr. Clark,

(yellow)

[redacted] introduced her mother
I think as a Mrs. Suet. Don't think
she knows her son is a killer - she
said if my boy whent had it would
kill me. Both drawings look like
[redacted]
[redacted] The Mexican drawing to much hair I
think to dark. face to rough looking - Boy looked
refined - jaw to heavy nose a little to thick
not mean looking - hair line on other drawing
a little better - I'm not sure about color of eyes -
of course hair could have been dyed
