RE: 77-1831 - Harold Weisberg v. General Services Administration

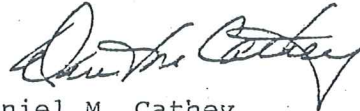

Dear Mr. Lesar:

I am enclosing herewith a copy of the Court's order granting appellee's motion for an additional extension of time to file its brief to and including January 26, 1978. In light of your opposition to the motion the third paragraph of the order was added. However, I have been instructed to point out that the case is not now on an expedited status because the memorandum required by Rule 7(c) (3) of the General Rules of this Court was not filed.

Very truly yours,

GEORGE A. FISHER, Clerk
