

SA Martin Wood, FBI, aff. in 1997 of 7/12/78

(2) Gene Wilson forwarded 8 documents to FBI date of 12/2/77. (Compare with date of complaint.) "...for review and direct response to the requestor."

Numbered A-1 through A-8 for aff. purposes. Only now are these being reviewed:

"Documents A-2 through A-8 are currently classified in their entirety and are being reviewed by our Document Classification Review Unit to determine if the classification...continues."

This means that even with 1996 in court as long as it has been the FBI has not processed these records for me in that case and that the FBI has delayed this long in any review in 1997.

(3) on 12/12/77 Wilson forwarded "in fact ten (10) as opposed to the letter's mentioning of nine (9), documents which originated with the FBI for review and direct response to the requester." These are B-1 - B-10.

"Documents B - 1 through B - 9 are currently classified in their entirety and are being reviewed" by DCRU as above.

The remaining record "was processed but he does not even state that it has been provided, whether or not it has been.

(4) "By letter dated May 5, 1978" CIA sent FBI one document which also is classified and is still in DCRU.

(5) An undated letter from Charles E. Savage, received at FBIHQ on July 11, 1978, "forwarded ⁴³ ~~53~~ additional documents and a listing of three additional documents ... D-1 through D-46. All are currently classified in their entirety and are being reviewed by " DCRU.

(6) On 7/11/78 FBI sent me A-1 and B-10 only.

(7) A-1 through A-8, B-1 through B-10, C-1 and B-1 through D-46 "are included in the material" I requested 7/8/77 of FBO on which "Processing has not been completed..."

He does not in fact state that the processing has been begun. He attached my letter as Exhibit B.

Compared with my letter the Wood affidavit underinforms.
