Dear Bill:

I enclose a copy of a letter which I obtained, and which should be of interest to you. It is from George McMillan, well known writer and hopeful biographer of James Earl Ray; it is to John Ray, Jame's brother.

As you will note, McMillan claims access to the FBI file and asserts that both Gerold Frank and William Huie had access.

If this is true, and I have reason to believe it is true at least in the cases of Huie and Frank, I believe that I, as Ray's attorney, am entitled to access. In fact, I believe I'm entitled under the FOI Act as an individual. It would be to everyone's advantage, I believe, to let me examine it quietly rather than after a big, public flap.

Would you look into this and take it up with your elders.

Warmest regards.

Sincerely,

Bud
