

UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT

No. 79-1700
(C.A. 78-249)

HAROLD WEISBERG,

Appellant,

v.

WILLIAM H. WEBSTER, et al.,

Appellees

MOTION FOR EXTENSION OF TIME
WITHIN WHICH TO FILE APPELLEES' BRIEF

Appellees respectfully request an enlargement of time to and including January 25, 1980, within which to file their brief.

Appellees' brief is currently due January 21, 1980. Counsel is deeply involved in preparing the instant brief and has discovered the need for further consultation with the agency involved. While it is expected that the draft brief will be completed prior to the current due date, the additional time requested is necessary to ensure adequate time for typing, review and processing of the final brief. In addition, the United States Attorney's Office is currently experiencing an unexpected backlog of briefs requiring review and final processing. Thus, this request for four additional business days is made to avoid any last-minute requests for extension of time.

WHEREFORE, it is respectfully requested that appellees' time for filing their brief be enlarged to and including January 25, 1980.
