MOTION FOR EXTENSION OF TIME WITHIN WHICH TO FILE APPELLEES! BRIEF

Appellees respectfully move for an extension of two weeks, to and including October 2, 1978, in which to file their brief.

Appellees' brief is now due September 18, 1978. The Assistant United States Attorney to whom the case is assigned has been occupied working on several criminal appeals in this Court and the District of Columbia Court of Appeals. He has therefore been unable to complete the work on this brief in time for the present due date.

Counsel for appellant has authorized us to state that he has no objection to the request for an extension.

MOTION FOR LEAVE TO FILE MOTION FOR EXTENSION OF TIME WITHIN WHICH TO FILE APPELLEES' BRIEF

Appellees respectfully request leave to file their motion for extension of time within which to file appellees' brief, lodged herewith.

Appellant's counsel has authorized us to state that he has no objection to the requested extension of time. The reason for not filing the motion for extension of time ten days before appellees' brief was due was oversight on the part of the Assistant United States Attorney assigned to the appeal; he was occupied in completing the appellant's brief in a government appeal in a criminal case in the District of Columbia Court of Appeals at the time when the motion for extension of time was due. WHEREFORE, appellees respectfully request leave to file their motion for extension of time within which to file appellees' brief, lodged herewith.
