MOTION FOR FURTHER EXTENSION OF TIME IN WHICH TO FILE APPELLANT'S BRIEF

Appellant respectfully requests this Court to grant a further extension of time for filing his brief from May 22, 1978, to and including June 5, 1978. In support of this motion, appellant states as follows:

- Appellant's brief is currently due on May 22, 1978.
 Appellant has previously received two 30-day extensions of time.
- 2. As stated in his previous motions for extensions of time, appellant's counsel is a sole practicioner with very limited resources. For the past two and a half months he has been under extremely heavy time pressures in a number of different cases. Since the end of February, 1978, appellant's counsel has worked every weekend but one. Virtually all of this work has been done on a pro bono or contingency
