Re: Weisberg v. U.S. Department  
of Justice, Case No. 78-1107  
(Civil Action No. 75-0226)

Dear Mr. Cole:

In accordance with our conversation this afternoon, I enclose a copy of the judgment for costs in the amount of \$693.81 which the Court of Appeals awarded to Mr. Weisberg on June 6, 1980.

Because three months have passed without Mr. Weisberg having received the sum due him; I am requesting that you expedite this payment. If you need information as to how this is accomplished, you may wish to consult with Linda Cole of the Appellate Section. Because there was a much longer delay in Mr. Weisberg's being paid in another case, she became aware of what has to be done to expedite payment.

Sincerely yours,

  
James H. Lesar
