Dear Harold,

I thank you very much for your lengthy letters of 9/8 and 9/9. Since you've written the C/A has surprised me with a Motion to Remand - a form of self-reversal designed to deny me appellate review and exhaust my financial resources. I sent Jim two copies and he should pass the extra one on to you. Naturally, I am opposing this.

You say you are certain that a tape was actually sent to Dallas. I believe that I've reviewed the relevant Dallas Field office docs at your house and am certain I saw no such indication. But perhaps you've obtained other documents since then or I missed something. If you have a document that shows Rudd took a tape to Dallas (or anyone else did) please let me know. As far as I know, there is no available document that clearly indicates a tape

went to Dallas. If you have some
let me know. I have the relevant
documents you mentioned in the
transcript.

I have recently put in an FOIA
request ~~for~~ to the FBI on some
FBI-Mexico material. These were
docs (some of the Dallas stuff I
got from you) which were partially
released with all the good stuff
deleted. Eventually, I'll sue.

Looking forward to hearing from
you soon

Frank,
Mark
