Dear Harold,

Thanks for your letters of 1/22 and 1/24. I've enclosed my two letters to Mark, and the documents mentioned in the second one. (Copy sent to Jim too.) As you can see, I didn't get this material until two days ago, and I don't know if I have been of any real help. If you and/or Jim have put together an analysis of the new material, I would be interested in seeing it. ~~XX~~ (*)

I've also enclosed the 51 pages of clippings, etc., requested in your letter of 1/24.

You asked about Jeff's slides. As far as I know, he still has the full set he made. (About 100 on the JFK case, I forget how many on MLK.) I don't think there were ~~xx~~ ever any extra copies. I don't have them myself - we did order some for our book (they are in NY somewhere).

(*) E.g., an ~~xx~~ extra copy of the affidavit you did for Mark.

Not much to report from here. Our book is still hung up, ~~x~~ waiting for word from the libel lawyers.

With best regards,

Paul
