STIPULATION

The parties agree, subject to approval by the Court, that plaintiff's time to respond to Defendants' Motion to Strike And To Have Its Statement of Material Facts Deemed Admitted is extended to and including July 23, 1982.

This stipulation is made for the following reasons: (1) due to the press of work on other cases, plaintiff's counsel has not yet begun work on his opposition to defendants' motion; furthermore, he has just been assigned a case which will require work of a semi-emergency nature next week; (2) defendant's counsel is leaving on a three week vacation and will not return until July 26, 1982. He may wish to file a short reply to plaintiff's opposition and to respond to an amended statement of material facts which plaintiff anticipates filing.
