

Withheld and Relevant Marguerite Oswald Files

The Dallas and New Orleans FBI offices and FBIHQ all knew that they had and still withhold relevant records relating to Lee Harvey Oswald's mother. After Weisberg identified some of these files to the appeals office it was provided, but the one identified in this FBIHQ directive to Dallas and New Orleans, remains withheld. (In Dallas it is 10 10)

This tickler copy discloses that Mark Allen makes it clear that the FBI required no discovery from Weisberg to be able to locate and process these relevant records and that no discovery from Weisberg would have enabled it, as it claimed in this litigation, that it had complied with his requests.

(Mark- I sent you this 5/22/85)

(The FBI filed Grandmother Oswald as a subversive.)

***I produced a disclosed copy which had no redactions. It also was provided to another requester. Nothing in the records was ever subject to claim to exemption.

MARGUERITE CLAVERIE OSWALD

Captioned individual is the mother of Lee Harvey Oswald. Inasmuch as it appears subject will be of interest to the U.S. Government in the future due to her voluminous contacts with individuals of prominence and various U.S. Government agencies in her efforts to "clear her son of responsibility for the assassination of the late President John F. Kennedy," Bureau has opened a separate file on subject. Each of the recipient offices should do the same.
