Dear Mr. Weisberg:

When you wrote to me last year, I forwarded the material you sent to the Chairperson of Division V, Criminal Law and Individual Rights. I also recommended that you contact the ACLU, which I see you have done.

By copy of this letter I am forwarding your recent correspondence to the current Chairperson of Division V, Kim Taylor. As you may know, the members of the D.C. Bar, through several referenda, have limited the activities in which the association may engage. However, perhaps a member of Division V can offer some insight into the issues raised in the documents you have provided.

Sincerely,

Katherine A. Mazzaferri
