Dear Mark,

Enclosed are the government's Opposition to my Motion to Reconsider, which I received yesterday, and part of what I'm sending Jim Lesar relating to some tickler records disclosed to Mark Allen.

I've never known a government attorney to attest to any filing and I rather like that she did because again she is not truthful. I plan a fairly short Response. I believe I am entitled to file one but I don't know.

I do not know whether any of the information in what I'm sending Jim can be of use to you or anyone you know but I'm sending it on the chance that it might be.

Too bad about the Morison case. I'm old enough to recall what followed when other governments went that way, and other ways, some within my personal experience. Change the faces and names and some of what our so-called leaders are saying faithfully duplicate the sad past.

Best wishes,

*Harold*
