NOTICE GRANTED

John W. ...
Deputy Clerk

MOTION FOR EXTENSION OF TIME
IN WHICH TO FILE BRIEF FOR APPELLANT

Comes now the appellant, Mr. Harold Weisberg, and moves the Court for an extension of time to and including September 7, 1979 within which to file his brief in this case. In support of his motion, appellant represents to the Court as follows:

1. Appellant's brief is due on August 15, 1979.
2. Appellant's counsel has recently learned, after experiencing severe neck, back and shoulder pains, that he has some degenerative change in a cervical disc which apparently is the result of a whiplash injury suffered in an automobile accident some 12 years ago. While the severe pains he experienced three weeks ago have abated as the result of medication, some pain remains and it is not advisable for him to type or work in a sitting position for long
