Dear Sirs,

This request is made under the provisions of the Freedom of Information Act.

CIA Document No. 632-796 concerning "Jean Souetre's expulsion from U.S." states that "the FBI was given a copy of CSCI-3/776,742 previously furnished the Bureau and CSDS-3/655,207 together with a photograph of Captain and SOUETRE." Please furnish me a copy of the photograph of Captain Souetre. In doing so, please feel free to crop or other wise sanitize the print so as to eliminate the possibility of compromising any agency sources and methods. My request is for Captain Souetre's photo alone that I may add it to three other photographs of him which are already my possession.

DDO  
(Laurie Z.)

Please be assured of my commitment to pay any and all costs involved.

Thank you for your cooperation.

Sincerely yours,

*J. Gary Shaw*
