Martin Luther King Review Group

Noted. 
MAY 24 1976

The Deputy Attorney General has decided that those organizations furnishing personnel through detail to the Review Group will continue to fund all personnel compensation for those individuals. All other costs for such items as travel, rents, printing, equipment, etc., are to be borne by the Civil Rights Division.

Funding of these costs by your Division is to be accomplished by the execution of a reimbursable agreement between the Civil Rights Division and the Office of Professional Responsibility. A special accounting code has been established for the Review Group to specifically identify all costs incurred.

The Operations Support Staff of this office will develop a budget for the Review Group to cover the remainder of this fiscal year as well as for the Transition Quarter. These budgets will be reflected in the reimbursable agreements which will be sent to you for signature.
