Re: AG/DAG/77-HD

Dear Mr. Lesar:

This is in further response to your request on behalf of your client, Harold Weisberg, for access to records in the Offices of the Attorney General and Deputy Attorney General pertaining to the assassination of Dr. Martin Luther King, Jr.

Due to an administrative error, certain information was inadvertently deleted from three documents released to you by our letter of April 1, 1981. Enclosed are copies of the three pages as they should have been released (AG #25, page 2; AG #26, page 2; CIV #2). The basis for the excision of the single name appearing in AG #25 and AG #26 will be contained in the "Vaughn" affidavit to be filed with the Court in Civil Action 81-0023.

The right to appeal and to judicial relief regarding this action remain available to Mr. Weisberg as previously stated.

Sincerely,

Robert N. Ford
Acting Associate Attorney
General

Honorable Ramsey Clark
Attorney General
Washington, D. C.

Dear General Clark:

I am providing the following information regarding the assassination of Martin Luther King for whatever value it may have in your investigation.

During the years 1963 and 1964 an investigation involving extremist groups was conducted by the Miami Police Department and the Dade County State Attorney. I coordinated that investigation and the records will reflect that two individuals planned to assassinate Martin Luther King.

1. In October, 1963, an informant reported a conversation with [one, Jack Brown,] in which [Brown] planned to kill King. [Brown] then resided in Chattanooga, Tennessee, and was [Imperial Wizard of the Dixie Klan.]

2. In May, 1964, [Sidney Barnes,] a Miami [housepainter,] made plans to kill King on May 17, 1964, in Mobile, Alabama. [Barnes] at that time planned to move to Atlanta or Mississippi.

The above information was provided to the FBI during the course of our investigation.

Trusting the above may be of some assistance to you, I am

Sincerely,

Seymour Gelber
Assistant Attorney General
