 Defendant-Appellee :

MOTION TO REDUCE NUMBER OF COPIES OF BRIEFS
AND APPENDIX REQUIRED TO BE FILED BY APPELLANT

Comes now the appellant, Mr. Harold Weisberg, and moves the Court to reduce the number of copies of briefs and appendix that he is required to file to four (4) copies of the Appendix and seven (7) copies of briefs. As grounds for this motion, appellant represents to the Court as follows:

Appellant is nearly 68 years old and in ill-health. In September-October, 1980 he was hospitalized for a month for arterial bypass surgery in his left leg. As a result of his phlebitis and circulatory problems, he routinely incurs what for him are significant medical expenses. His only regular income consists of a Social Security check in the amount of some \$280 per month. Because of his limited financial resources, appellant requests that the Court reduce the number of copies of briefs and the appendix that he must file with the Court.

Respectfully submitted,

James H. Lesar
