Case No. 81-1009

MOTION FOR EXTENSION OF TIME WITHIN WHICH TO
FILE PETITION FOR REHEARING

Comes now the appellant, Mr. Harold Weisberg, and moves the Court for an extension of time, to and including November 6, 1981, within which to file a petition for rehearing. In support of his motion, appellant represents to the Court as follows:

1. On October 9, 1981, the Court issued a Judgment affirming the District Court's finding that appellant did not "substantially prevail" within the meaning of 5 U.S.C. § 552(a)(4)(E), and therefore was not eligible for an award of attorney's fees and costs.

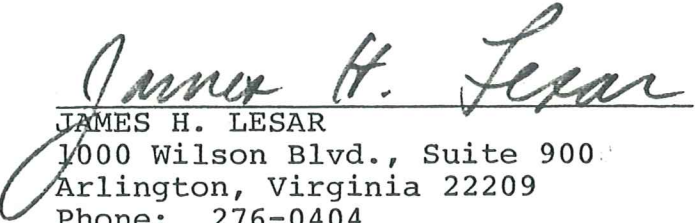

2. Appellant has tentatively decided to petition for a rehearing. Appellant's petition for rehearing is presently due on or before October 23, 1981.

3. Because of the press of other business, appellant's counsel needs an additional two weeks' time to prepare such a petition.

4. Counsel for appellee has authorized appellant to represent to the Court that appellee does not object to the extension of time requested.

For the reasons stated above, appellant requests that his motion for extension of time be granted.

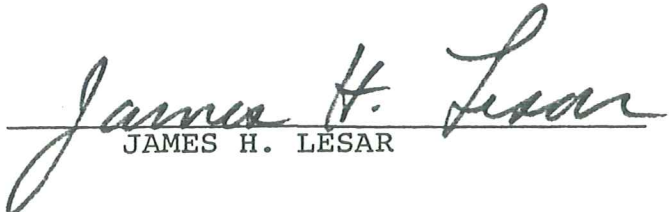

Respectfully submitted,
