INFORMATIVE NOTE

Date 3/20/67

In February, 1964, [REDACTED]

[REDACTED]

contacted the Minneapolis Office and related a story of having overheard two men at the Winnipeg International Airport Bar discussing the Lee Harvey Oswald case. He furnished some rather nonspecific information at the time which has no apparent connection with the allegations which have been raised recently in New Orleans by Jim Garrison. However, we are checking Bureau files for any significance of the information.
