te Attorney General Director, TBI Information has recently been received that on the Evening of October 4, 1961, in Chicago, Illinois, there was a lengthy conference which was attended by Santel M. Giancana, prominent Chicago racketeer and target 2 Tor sarly prosecutive action. Among those identified so being present at this conference were und Boss Prio. Prio expressed concern over the fact that Attorney General Robert P. Kennedy is making an appearance in Chicago before an Italian-American group on Columbus Day. Stated that an individual mamed should be told to tone down on Lennedy, and further that was an obvious attempt by Kennedy to convince the Italian people that he is friendly to this ethnic group. le was further ascertained at this conference that Giancama made the comment that Attorney General Kennedy is spending all his time investigating bookmakers and not paying attention to those who are attempting to everthrow the Government: panely, othe commists. Iteras also reported that Giancana was advised at his cofference by two unidentified individuals that they had dentified to informants being utilized by the State's ttorney's office, Cook County, Illinois, in making gambling After outlining the reasons for suspecting one of these individuals as being an informant, Giancana gave instructions to "put him in a steam bath, take him for a ride and hit him/ in the head." The above is furnished for your informat See mono Evans TOTE: 10/6/61, same Attorney General PAGE 56 2
