(b)(7)(c)

[REDACTED]

Subject said that CASTRO was to be done away with very shortly. [REDACTED] registered doubt about this happening when GIANCANA assured them it was to occur in November and that he has met with the "assassin" on three occasions.

GIANCANA said he last met with the "assassin" on a boat docked at the Fontainebleau Hotel, Miami Beach, Florida, and that everything has been perfected for the killing of CASTRO. GIANCANA said that the "assassin" has arranged with a girl, not further described, to drop a "pill" in a drink or some food of CASTRO's. GIANCANA also told [REDACTED] CASTRO is in advanced stages of syphilis and is not completely rational.
