Mr. Paul L. Hoch

Dear Mr. Hoch:

This is in response to your letter, dated 5 December 1978, wherein you inquired about the status of your earlier request. Please be advised that the review of the documents you have requested is continuing. The component involved in that review has informed us that it will be approximately another two or three months before the review is completed. Please be assured that as soon as we receive the results of the processing, we will advise you accordingly.

We have also checked on the status of "Document #1087" that you also specifically asked about. That document is now numbered "1635-1087." It was not released earlier, but it is included in the final batch of documents which is still being reviewed.

Sincerely,

*for Charles E. Savage*
