Dear Mr. Owens:

On December 29, 1978, you advised me that your review of the final batch of Kennedy assassination documents would be completed in two or three months.

Please advise me of the current status of that review. As I explained in my letter of December 5, I am particularly interested in two specific requests which I made in 1976.

This delay is detrimental to other things that are involved. I hope to hear from you soon.

Sincerely yours,

*Paul L. Hoch*
