Dear Mr. Hoch:

This is in response to your letter of 1 August 1979 in which you asked about the status of our review of the final batch of Kennedy assassination documents.

Due to the investigations and deliberations of the Select Committee on Assassinations, U.S. House of Representatives, we have not been able to finalize our review of these documents. Now that a final report is being prepared by the House Committee, we can release personnel to begin this review. We must warn you, however, that it will be at the very least several more months before we can complete our review and forward any releasable material to you.

In the meantime, thank you for your patience and consideration.

Sincerely,

George W. Owens
Information and Privacy Coordinator
